Bogdan Ivanov,2016-02-10 Bonus Audio Course Inside How To Survive Natural Disasters WARNING This is a hands on
practical survival guide that will teach you everything you need to know to survive anything anywhere The truth is that
survival is not always as easy as relying on ready made shelter and store bought food In fact anyone who watches the news or
otherwise pays attention to what is going on in the world can quickly come to the conclusion that sometimes survival requires
specific skills You may face having to know how to stay alive in the wild with nothing other than the clothes on your body
This type of survival requires a bit of practice prepping and knowing how to provide shelter food and water Consider these
circumstances where you may need to have specialized knowledge in order to remain alive Your car is driven off the road and
help is not easily forthcoming Your plane crashes out in the middle of nowhere Extreme weather destroys your community
and there is not enough shelter or food to go around Any other type of emergency drives you out of your home and into the
wild About The Ultimate Survival Guide The Ultimate Survival Guide walks you through how to survive anything anywhere in
the world Not only is it deeply comprehensive in regard to teaching how to survive in any type of terrain or weather
conditions it goes much further than that Surpassing other survival guides which create fear based thinking and assume
there are at least some tools available The Ultimate Survival Guide walks you through the importance of remaining calm and
is written to assume that you have no tools available at your disposal It teaches how to create shelter and find food and water
with nothing other than what can be found in nature Along with teaching how to find clean drinkable water even in the
desert or around the ocean this survival guide teaches how to find a variety of foods from meat to vegetables and fruits It will
also teach surprising items that can be eaten in order to stay alive that many will not realize were edible Additionally you will
learn what absolutely should not be eaten due to the possibility of becoming deathly ill You will also learn How to create
critical tools needed for survival and how to find materials needed to use for building a variety of types of shelters How to
determine the best type of shelter to build for specific situations and types of weather Essential skills such as how to treat
injury and illness without bandages or other First Aid equipment Important social dynamics skills needed to survive the social
chaos that is prevalent in emergency situations And more The Ultimate Survival Guide is filled with facts that only the most
experienced prepping experts and survivalists know At the same time this survival guide makes each skill easy to understand
and accomplish even for the most inexperienced beginner The most important benefit of this survival guide is it teaches the
