

American History Mid-Term Test Study Guide

Chapter 16

1. What forms of discrimination did the minorities face?
 - a. African Americans
 - i. Jim Crow laws keep black and whites segregated
 - ii. Poll taxes were enacted to prevent many AA from voting
 - iii. Literacy tests also ended up disqualifying AA's voters
 - iv. Southern states enacted grandfather clauses, which restricted AA from voting because their ancestors hadn't voted prior to 1866
 - v. Jury boxes, restaurants, parks, beaches, cemeteries and more were segregated
 - vi. In 1915, South Carolina spent around 14 dollars for every white student, but less than 3 dollars for every black student
 - b. Chinese Immigrants
 - i. CA barred cities from employing people of Chinese ancestry
 - ii. San Francisco established a segregated "oriental" school
 - iii. Chinese Exclusion Act- Prohibited Chinese laborers from entering the country
 - c. Mexican Americans
 - i. Mexican Americans lost a lot of their land because when Anglo Americans and Mexican Americans claimed the same land, the US made the Mexican Americans show proof that the land was theirs. Often the differences in legal customs and the fact that a lot of land was held communally, made it difficult for them to do this.
 - ii. The Santa Fe Ring got the federal government to grant the group control of millions of acres of land in New Mexico where Mexican Americans had been living and farming on for years. Because New Mexico was a territory, not a state, the Mexican Americans had no representatives in DC to fight this deal.
 - d. Women
 - i. Women couldn't vote. They weren't included in the 14th and 15th amendments.
2. Explain the forms of political corruption plagued the local and national governments during the gilded age?
 - a. Many government officials routinely accepted bribes.
 - b. Businessmen represented various trusts and were considered the "bosses of the senate"
 - c. Political parties and the spoils system were central components of politics during the gilded age. Under the spoils system, politicians awarded government jobs to loyal party workers with little regard for their qualifications.
 - d. Political officials could and did use federal contracts to convince people to vote for their candidates.
3. What caused the conflict over the monetary policy and tariffs?
 - a. The tariff and monetary policy were critical economic issues during the Gilded Age. The tariff issue sharply divided the Democrats and Republicans. Monetary policy gave rise to independent political parties or movements that disagreed with the major parties' commitment to the gold standard. Using the gold standard meant that the government would use gold as the basis of the nation's currency.
