Baker,2018-09-27 A history of activism against the commercial sexual exploitation of American youth from the 1970s to 2015 Unguarded Border Donald W. Maxwell,2023-05-12 The United States is accustomed to accepting waves of migrants who are fleeing oppressive conditions and political persecution in their home countries But in the 1960s and 1970s the flow of migration reversed as over fifty thousand Americans fled across the border to Canada to resist military service during the Vietnam War or to escape their homeland s hawkish society Unguarded Border tells their stories and in the

process describes a migrant experience that does not fit the usual paradigms Rather than treating these American refugees as unwelcome foreigners Canada embraced them refusing to extradite draft resisters or military deserters and not even requiring passports for the border crossing And instead of forming close knit migrant communities most of these migrants sought to integrate themselves within Canadian society Historian Donald W Maxwell explores how these Americans in exile forged cosmopolitan identities coming to regard themselves as global citizens a status complicated by the Canadian government's attempts to claim them and the U S government's eventual efforts to reclaim them Unguarded Border offers a new perspective on a movement that permanently changed perceptions of compulsory military service migration and national identity *The Silencing* Kirsten Powers, 2015-05-11 Lifelong liberal Kirsten Powers blasts the Left's forced march towards conformity in an exposé of the illiberal war on free speech No longer champions of tolerance and free speech the illiberal Left now viciously attacks and silences anyone with alternative points of view Powers asks What ever happened to free speech in America Korean Survey ,1952 *New York Magazine* ,1993-11-15 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea New York Magazine ,1984-09-17 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea U.S. News and World Report ,2006 Federal Probation ,1955 **Resources in Education** ,1984 **InfoWorld** ,2001-01-22 InfoWorld is targeted to Senior IT professionals Content is segmented into Channels and Topic Centers InfoWorld also celebrates people companies and projects *Congressional Record Index* ,1954 Includes history of bills and resolutions Journalism After September 11 Barbie Zelizer, Stuart Allan, 2011-04-22 This exciting collection raises important questions regarding what journalism should look like after the events of September 11th It will be necessary reading for those concerned with the integrity of journalistic practice **Retro** Elizabeth E.
