**Don't Tell Me Your Wife Likes It** Ronald C. Gordon,2013-03 In 2009 Ronald C Gordon published *Not Fade Away* a coming of age story set in Texas in 1959 A first novel it was the product of many drafts considerable professional editing and a long arduous attempt to find an agent and publisher Now in *Don t Tell Me Your Wife Likes It* one particular literary agent s sole criterion for submissions to him Mr Gordon recounts his painful and frequently hilarious rollercoaster ride to publication The author details not only the joys and frustrations of creating a long work of fiction but also the many pitfalls and compromises that await the first novelist with a marketable manuscript He introduces us to the How To tribe of Literary Wannabeeland the horde of self described experts who claim to know all the rules for writing saleable fiction and who for a price financial and otherwise will share the secret to success with their even more numerous prey He also explores the particular problems that await the author of literary fiction in a publishing marketplace dominated by genre fiction and a mythical target audience he designates dumb and dumber In doing so the author demonstrates a profound understanding of literary history the craft of writing and the role of autobiography in creating fiction Above all he convinces us that a good writer is first of all a good reader Part memoir part literary analysis and a thoroughly cautionary tale *Don t Tell Me Your Wife Likes It* offers an entertaining and illuminating examination of what it means to be a unknown unpublished novelist in today s highly competitive literary marketplace

*Limes and Lemonades Part One* Chizoba Chiamaka Asika,2024-07-01 An Estonian proverb says If the bread in the oven is a failure you lose a week if the harvest is a failure you lose a year but if a marriage is a failure you lose a life For better for worse is a ubiquitous marriage vow expression But the ultimate question is does true love truly conquer all Kelvin and Anne were a happily married couple having fallen in love during their university days Life was rosy and the colours of their rainbow shone ever brightly until life threw them a number of curves that eventually bursts their bubble of happiness Kelvin lost his writing job at a major publishing house as a result of his unyielding scruples leaving Anne a banker to shoulder the family responsibilities including caring for their young son Pretty soon the financial strain became more than she could handle as her moralist husband failed to secure another job The emotional and psychological effects of their dire situation slowly began to eat at the fabric of their union and eventually tore the once loving couple apart A demanding job an overbearing superior her perceived nonchalant attitude of Kelvin towards their plight and the lure of a luxurious life by another man eventually compelled Anne to walk out of her marriage and into an illicit affair But she soon learnt the reality of the adage all that glitters isn t gold Meanwhile Kelvin engulfed by ineffable feelings of rejection and abandonment found himself in a very dark place Haunted by an unrelenting sense of failure he spiraled into depression prompting him to commit suicide *Limes and Lemonades* is a powerful and poignant story about love lust power and betrayal Readers will definitely be thrilled from the very first page to the last sentence
