Whose Life Is It Anyway:

Whose Life is it Anyway? Brian Clark, 1993 Raises the question of a person's right to death with a story about a paralyzed automobile victim who wishes to be permitted to die rather than be kept alive by mechanical means while his doctor maintains it is his professional duty to maintain life **Whose Life Is It Anyway?** Theodosia Soteriou, 2012 This is a collection of poetry written throughout the writer's married life They include a variety of subjects and issues both sad and humorous which most readers will be able to relate to They are very rhythmic and easy to read and perfect for poetry novices

Whose Life is it Anyway? Deborah Thomson, 2018-11-01 When Deborah Thomson met Wayne she was a shy introverted 24 year old student He was a loud charismatic young man His temper was an issue but one she hoped they could work on Four years later the married couple now ran a business together and their first child was born Yet any dreams of peaceful family life were quickly crushed by Wayne's increasingly violent and controlling behaviour Life turned into a cycle of hope fear and pain and her marriage into a prison from which there was no escaping It lasted 17 years Based on the journals the author kept throughout the ordeal **Whose Life Is It Anyway** is a chilling memoir of her agonising years living and working with her abuser A powerful frightening story highlighting a world I do not understand fortunately a world the author has escaped from Ian Waller Burnie Tasmania **Whose Life is it Anyway?** Sinéad Moriarty, 2009-04-16 Also published under the title **Keeping It In the Family** In her fifth novel **Whose Life Is It Anyway** Sinéad Moriarty has done it again taken a complex topic what happens when a young woman falls in love with someone dramatically different than the kind of man her family would have expected and created an insightful gripping and moving story filled with delightfully sparky characters plenty of straight talking and all her trademark fun and humour In balancing of light and shade pathos and comedy Sinéad manages to pull off a unique feat a story that combines the provocative qualities of a Jodi Picoult story with the warmth and humour of Marian Keyes It's tricky for Niamh O Flaherty growing up in a North London home that's a shrine to all things Irish But it's even trickier being an adult and realizing that her family expects her to settle down with a nice Irish lad especially now that she's living in Dublin When Niamh finally meets the love of her life he is the last person she would expect to fall for her Pierre is older and an intellectual but she loves his ability to laugh at himself his calmness and strength of character and of course his stunning looks There's just one problem if Pierre's parents Jean and Fleur are sniffy about their pride and joy hooking up with a girl who writes a fluffy newspaper column her parents Mick and Annie are going to go ballistic when they hear that their daughter intends to marry someone who couldn't be less Irish if he tried Sinéad Moriarty's novels have sold over half a million copies in Ireland and the UK and she is a four times nominee for the popular fiction Irish Book Award She has won over readers and critics telling stories that are funny humane moving and relevant to modern women **Whose Life Is It Anyway** is Sinéad at her very best Sinéad Moriarty lives with her family in Dublin Her other titles are **The Baby Trail A Perfect Match From Here to Maternity In My Sister's Shoes Pieces of My Heart Me and My Sisters and This Child of Mine** **New York**
