Cassidy, 2025-08-05 Welcome to my worst effin nightmare The Accidental Detective Agency I m Nina Statleon a vampire with a little bit of witch thrown in for good measure a sucky magicless one if anyone asks for those interested My best friends Marty a werewolf and and Wanda a halvesie have talked me into opening a detective agency for paranormals Let me be real clear I do not want to be a detective and I think this idea is bananapants Now the dungeon in my castle in Long Island is our new office I call the murder basement filled with watercolor landscapes throw rugs and uncomfortable furniture all in the name of making our clients comfortable That said my partners in this new adventure don t care about all my protests That s how we end up with our first client Brenda Bronkowski an older vampire the human police are hunting down for murder Brenda fell for one of the oldest tricks in this new age of technology s book a romance scam Lonely and sad with only her pets for companionship Brenda hooked up with a human a much younger one You guessed it Brenda was catfished Now that much younger human Owen Barker is dead leaving behind a wife and two kids Brenda swears she s never even met him let alone murdered him and she s come to us for help finding the person responsible for his murder Not only is the suspect list low like we only have two there s a glitch and it s a big one The clan They don t like it when a vampire s been accused of murdering a human They take you out ask questions later Brenda s technically a fugitive we re harboring while we investigate It s bad enough the human police like her for Owen s murder but if the clan finds out we ve got her holed up in the murder basement it won t only be curtains for Brenda our little private investigating gig could be over before it s really

begun Which wouldn't exactly be the end of the world for me but my over-achieving BFFs would never let me hear the end of it That means we need to solve this pronto so we can get the clan off our backs but more importantly so Brenda doesn't end up expunged

**Samlee's Daughter** Vivek Iyer, 2007 *Translation, Authorship and the Victorian Professional Woman* Lesa Scholl, 2016-02-17 In her study of Charlotte Brontë Harriet Martineau and George Eliot Lesa Scholl shows how three Victorian women writers broadened their capacity for literary professionalism by participating in translation and other conventionally derivative activities such as editing and reviewing early in their careers In the nineteenth century a move away from translating Greek and Latin Classical texts in favour of radical French and German philosophical works took place As England colonised the globe Continental philosophies penetrated English shores causing fissures of faith understanding and cultural stability The influence of these new texts in England was unprecedented and Eliot Brontë and Martineau were instrumental in both literally and figuratively translating these ideas for their English audience Each was transformed by access to foreign languages and cultures first through the written word and then by travel to foreign locales and the effects of this exposure manifest in their journalism travel writing and fiction Ultimately Scholl argues their study of foreign languages and their translation of foreign language texts nations and cultures enabled them to transgress the physical and ideological boundaries imposed by English middle class conventions
