Reflections on Translation Susan Bassnett, 2011-06-17 This collection of essays brings together a decade of writings on translation by leading international translation studies expert Susan Bassnett The essays cover a range of topics and will be useful to anyone with an interest in how different cultures communicate Bassnett draws upon her personal experience to explore issues such as why the same things cannot be expressed in all languages why translators in war zones risk their lives for their work whether humour can travel across cultures why translated menus are often so bad and whether poetry does indeed get lost in translation

EBOOK: Understanding Business, Global Edition William Nickels, Jim McHugh, Susan McHugh, 2012-05-16 Understanding Business Global Edition by Nickels McHugh and McHugh has been the number one textbook in the introduction to business market for several editions for three reasons 1 The commitment and dedication of an author team that teaches this course and believes in the importance and power of this learning experience 2 we listen to our customers and 3 the quality of our supplements package We consistently look to the experts full time faculty members adjunct instructors and of course students to drive the decisions we make about the text itself and the ancillary

package Through focus groups symposia as well as extensive reviewing of both text and key ancillaries we have heard the stories of more than 600 professors and their insights and experiences are evident on every page of the revision and in every supplement As teachers of the course and users of their own materials the author team is dedicated to the principles of excellence in business education From providing the richest most current topical coverage to using dynamic pedagogy that puts students in touch with today's real business issues to creating groundbreaking and market defining ancillary items for professors and students alike Understanding Business leads the way

Social Media During the Egyptian Revolution: A Study of Collective Identity and Organizational Function of Facebook & Co Eira Martens-Edwards, 2014-04-10 With the fall of the regimes in Tunisia and Egypt the term Facebook Revolution was coined depicting the world's most popular social media platform as a condition sine qua non for the Arab revolutions Moving on from the extreme positions of cyber utopians and pessimists this study identifies and analyses mechanisms of use and potential intermediary effects of social media in connection with other driving factors of mass demonstrations that led to the fall of the Mubarak regime in early 2011 Semi structured focus interviews were carried out with social media activists in Cairo between November 20th and 24th 2011 The qualitative content analysis of eight interviews allowed for the identification of relevant categories and sub categories as well as possible connections between them Additionally a thorough analysis of the Egyptian socio economic political and media system in the years leading up to the revolution provides the basis for valuable and contextual conclusions Among the key findings is the accelerating effect of social media in mobilizing the Egyptian population to take part in mass demonstrations Whereas the organizational function is limited to online network effects rather than facilitating the coordination of protesters on the ground a significant impact of social media on the perception of a collective identity and threshold levels relevant for individual protest behavior was identified through this research Moreover the findings implicate a mutual dependency between new social media and traditional mass media

Why Translation Studies Matters Daniel Gile, Gyde Hansen, Nike Kocijan, Pokorn, 2010-01-01 Whether Translation Studies really matters is an important and challenging question which practitioners of translation and interpreting raise repeatedly TS scholars many of whom are translators and interpreters themselves are not indifferent to it either The twenty papers of this thematic volume contributed by authors from various parts of Europe from Brazil and from Israel address it in a positive spirit Some do so through direct critical reflection and analysis arguing in particular that the engagement of TS with society should be strengthened so that the latter could benefit more from the former Others illustrate the relevance and contribution of TS to society and to other disciplines from various angles Topics broached include the cultural mediation role of translators issues in literary translation knowledge as intellectual capital globalization through English and risks associated with it bridging languages mass media corpora training the use of modern technology interdisciplinarity with psycholinguistics and neurophysiology
