

# Why I Want To Transfer From University

## Transfer Application

I had joined the school basing on the active pharmaceuticals programs offered. I had not realized my career dream and I thought pharmacy would work best for me in the future. Thus, I had to research and found that indeed the school had a continuing legacy of producing excellent pharmaceuticals student. Nonetheless, after a critical self-evaluation concerning the program, I found that computer science skills would find a better place within me. I had to search and apply for transfer as an alternative.

Am currently studying at the University of Kentucky and I take CS as my primary course. I initially learned that the school had an active pharmacy program and I enrolled to major in chemistry. Nonetheless, after interacting with the UK mode of study, I realized that I had a passion for computer science. As I meditated within myself, I realized that the urge toward CS increased with time. Previously, I had no idea concerning computer science programs since they did not emphasize as in the UK. After committing myself to the program, I realized that my passion for chemistry declined and I had to shift towards my interest. I realized that I had to explore my potential in the field of computer science. The program developed my desire to pursue it at higher levels.

I realized that Purdue offers strong computer science programs and I wish to enroll in that program. I have a firm believe that the university molds qualified students. Therefore, enrolling in the school program will add me an added advantage in the current global market. The school has produced and mentored student who are absorbed quickly in different companies as they act as a stepping-stone for success. The school produces great minds that assist the companies to gain competitive advantage. Besides, I will have a chance to surround myself with competitive course mate who will upgrade my desire to achieve ever more. The school has enough resources that create an opportunity for success.

The university cater for my interest and objective, for instance, it inculcates group formation that assists each other to achieve their goals. The methodology facilitates learning and boosts management skills. For example, I would like to enroll myself in a club such as WEB development and other clubs associated with machinery computing. My dream career strongly urges basic acquisition of computer science knowledge. Thus, I have the desire to understand sophisticated

this book presents approximately 50 model college admission essays that will inspire students who must prepare original essays of their own as part of today's college entrance process. Students will also find extensive advice on the do's and don'ts for writing a successful essay plus instruction on the process of organizing ideas, writing a rough draft, then re-writing a final finished essay for presentation. The book's model essays come from successful Ivy League college applicants and each is supplemented with critical comments pointing out its strengths and weaknesses. Essays cover many categories including sports, work experiences, ethnicity, cross-cultural experiences, and much more. **Essays in Derivatives** Don M.

Chance, 2011-07-05 In the updated second edition of Don Chance's well-received *Essays in Derivatives*, the author once again keeps derivatives simple enough for the beginner but offers enough in-depth information to satisfy even the most experienced investor. This book provides up-to-date and detailed coverage of various financial products related to derivatives and contains completely new chapters covering subjects that include why derivatives are used, forward and futures pricing, operational risk, and best practices.

**You're Accepted** Katie Malachuk, 2013-12 *You're Accepted* is wonderfully written in a style that will appeal to everyone involved in the process: student, parent, guidance counselor. Elizabeth Lesser, cofounder of the Omega Institute and New York Times bestselling author of *Broken Open: How Difficult Times Can Help Us Grow*. Students may worry about SATs and grades, but university admissions coach Katie Malachuk knows that it takes much more than numbers to chart the right path to college. To help applicants and their families make enlightened decisions, she transforms the application process into one of self-discovery rather than self-delusion. Katie's approach strips away the destructive competitive energy and replaces it with revelations about how to uncover your innate talents and true self. With great humor and insight, *You're Accepted* makes a convincing case that presenting the real, authentic you, not some smooth packaged version, actually increases your chances of getting into college. The former admissions director shares insider tips on everything from writing essays to seeing things from the admissions committee's point of view. *You're Accepted* brings higher fulfillment to higher education by helping you get into the college that's right for you, the one that will help you become the person you're meant to be.

*The Complete Guide to College Transfer* Jaime Smith, MA, MSED, CEP, 2025-08-26 *The Insider's Guide That Takes the Confusion Out of Transferring*. Over a million students embark on the journey of transferring colleges each year, from community colleges to four-year schools, between universities, or back from a hiatus to complete their degrees. Transfer students deserve the same level of care and guidance that college-bound high school seniors receive, yet few resources exist to guide them through the complex process of transferring. Jaime Smith fills the gap with this comprehensive, research-backed toolkit to help readers find their perfect fit, transfer-friendly college, navigate the transfer and financial aid application procedures, maximize transfer credits, including those from alternative sources, happily adjust to life at their new school, academically and socially. *The Complete Guide to College Transfer* offers a helping hand during a momentous time, instilling in future graduates the confidence they need to accomplish their goals.
