Why Revival Tarries A Classic On Revival:

Why Revival Tarries Leonard Ravenhill, 2004-08-01 Leonard Ravenhill's call to revival is as timely now as it was when first published over forty years ago. The message is fearless and often radical as he expounds on the disparity between the New Testament church and the church today. Why Revival Tarries contains the heart of his message. A W Tozer called Ravenhill a man sent from God who appeared at a critical moment in history just as the Old Testament prophets did. Included are questions for group and individual study.

Why Revival Still Tarries Chad Taylor, 2005-06 Revival is the heart's cry of those truly consecrated to God. Then why has revival become a catch phrase that is talked about more than it's witnessed in the Christian experience? Why Revival Still Tarries reveals that the Church is actually responsible for revival's standstill. Refusing to take up the Cross thwarts the Holy Spirit from doing what is necessary to work His will through us. Do you want to join the front lines of a new generation of prophetic evangelism? Then discover how dying to self is what ushers in an anointing that makes the unbeliever take notice of God's glory.

Revival If... Rod Parsley, 2022 Could it be that God is giving us one last opportunity to allow His Spirit to be poured out upon the earth before the return of Jesus? This book will stir you to fan the flames of revival in your own heart so you can partner with the Holy Spirit and fellow believers to see a sweeping move of God transform America and the world. Are we living in the last days? Is it possible that God is getting ready to pour out His Spirit on the earth one last time before Jesus returns? In Revival IF best-selling author Rod Parsley gives readers a road map for cultivating renewal in their own hearts and minds and for participating in spiritual revival on a national scale. Drawing from over forty years of experience with revival personally and in ministry, Parsley clarifies what revival is and what it is not. Explains the difference between revival and awakening. Includes historical accounts and current perspectives on various revivals. While the methods of revival may change, the message remains the same. This book shares timeless biblical truths that will empower believers to seize the moment and experience true lasting revival and personal renewal.

The Tree of Intimacy Brian Britton, 2004-07 The Tree of Intimacy is a call for a lifestyle of extreme intimacy with the Father. God is revealing again to His church that we cannot separate the awesome awe-inspiring power of God from the amazing incredible love of the Father. In the past, the church has experienced only temporary and isolated revival. But a move of God is soon coming that the world will not be able to deny. It will be a revival that will shake the nations. This revival will come about only when we have the capacity to receive the level of anointing necessary to carry it out. And that will happen only as we seek Him on an intimate level as no other generation has before us. A heartcry for a generation hungry for God.

Spiritual Avalanche Steve Hill, 2013-03-12 This is a wake up call and vivid warning to readers through a vision of an avalanche that God gave Steve Hill which represents the false and heretical teachings from pastors and teachers that are spreading to Christians worldwide. Hill shares how every aspect of his vision relates to Christians today. The snow represents the false teaching that is steadily falling on the ears of many Christ followers, covering with many layers the solid foundational truth of

Christ Heresies including universalism the deification of man overemphasized grace and many more that will ultimately destroy the spiritual lives of many What happens when snow keeps falling creating the dangerous threat of an avalanche Those who heed the warnings are saved but those who fail to listen are caught in a deadly trap Readers will be challenged to understand these dangers and what they can do to help tear down these false teachings in order to secure a layer of solid biblical instruction that will establish truth in the work of the Gospel and help us avoid spiritual destruction **There Is No Crown Without The Cross** Donald R.
