**Confused Men, Frustrated Women** Carl Snyder, 2019-09-13 Before you read this book you should know who Dr Snyder is and how he approaches his faith in Christ Dr Snyder is a lifelong student of the Bible who always asks What does the Bible say about that His concern is to understand what the Bible says to believe what it says and to obey what it says It is as simple as that and at the same time as profound as that For example Dr Snyder has led numerous people to the Lord yet he does not consider himself to be an evangelist He simply sees that we are supposed to be about the work of evangelism and so he obeys Dr Snyder is less than enthused about maintaining the administrivia of his church but since the Bible commands us to be good stewards he maintains the church s records fastidiously Dr Snyder is typically the smartest person in the room and yet if you stand in that room you would never know it It is not that he hides it behind false humility as so many intellectually gifted people do it is just that he simply does not care that he is the smartest person in the room This is what biblical humility looks like when it saturates the very core of a man s heart In short Dr Snyder is focused on believing in Jesus with all his heart and obeying Him in every aspect of life He comfortably inhabits the place between understanding what the Bible says and wisely implementing it in our lives and that is the place from which he preaches and teaches And that is also the place from which this book was written In reading this you will quickly see what I already know about Dr Snyder he is balanced thoroughly biblical and communicates with large doses of grace He is not given to extremes and doesn t have hobby horses that he focuses on to the exclusion of more important matters He stays focused on the Bible and what it means to live it out Anthony Papadakis ThM CDA Journal California Dental Association, 1976 **Current Biography Yearbook** , 2003 The aim of *Current Biography Yearbook* is to provide reference librarians students and researchers with objective accurate and well documented biographical articles about living leaders in all fields of human accomplishment Whenever feasible obituary notices appear for persons whose biographies have been published in *Current Biography* Publisher **Anger is a Choice** Tim LaHaye, Tim F.
