**(BWWM Interracial Romance Short Stories)** Viola Black, 2016-09-14 My name is Lisa Simone Williamson and I used to be the luckiest girl in the world For starters I was rich Even better I was actually born into money My parents were once the proud owners of Simone Cosmetics one of the largest and most successful African American owned and operated cosmetic companies in the world My parents both came from very hard working families But their families worked hard for other people which was a concept that neither my mother nor father ever understood My parents believed that if they were going to work hard then they would work hard for themselves So when they met one another and realized just how like minded they were the twosome joined forces both personally and professionally got married and created what eventually became Simone Cosmetics After they had been married for a while and their company was up and running my parents decided that they were ready to start a family Not long after I came along I must admit I had quite a charmed childhood I lived in the most beautiful home that was located in the nicest part of town attended the best schools and had the greatest friends My parents also got me involved in their business early on because they had every intention on passing it down to me one day So I knew everything that there was to know about running Simone Cosmetics However my favorite aspect of the company was its dynamic marketing department I always loved watching the dapper men and glamorous women who worked in that area come up with creative and artistic ways to package and promote the wonderful products that my parents had created Once I graduated from high school and went off to attend one of the top universities in the country I decided to major in marketing Those college years were wonderful I met a lot of incredible people was taught by some of the best instructors and still remain close to the women I met when I pledged one of the top African American sororities in the country Alpha Kappa Kappa During the summers I would go home and intern at my parents company in the marketing department of course Those essential internships helped guide and motivate me and kept me focused Ultimately I always knew I would return to my parent s company upon graduation join the marketing team and work my way up until I was running the show But one of the most exciting experiences I had during college was meeting the man of my dreams David James David was the star of the

basketball team and I was his biggest fan My sorority sisters and I were considered celebrities on our college campus and we always hosted the biggest parties and turned heads everywhere we went The basketball players were regular party goers and David and I would always flirt whenever we'd see one another So I wasn't surprised when one of David's teammates who just so happened to be dating my best friend Janice passed a message along saying that David was interested in me **WARNING** Mature readers only Search Terms free romance books for young adults free alpha male billionaire romance books free bad boy romance books free romance short stories free second chance romance free steamy romance books free contemporary romance books free hot romance books women freebies free fiction books for young adults free love story and romance books free office romance books boss romance books free beach reads new adult free romantic fiction romance fiction books free bwwm free bwwm romance bwwm interracial romance books african american romance free black authors free books interracial romance books free black women books free african american books free billionaire romance books contemporary romance books romance stories fiction books romance novels steamy romance novel books romance romance adult romance novels romance books hot alpha male romance books steamy romance books books romance hot romance novels to read love story books **A Billionaire's Obsession 1 (BWWM Interracial Romance Short Stories)** Hattie Black,2016-09-17 10

**(BWWM Interracial Romance)** Viola Black,2016-09-11 High school was a blast Never had she imagined it would go by so quickly Memories of friends that had long since come and gone Laughter that still echoed through the corridors of her mind Each thought of those people made her stomach turn on end The betrayal she felt from them was more than she could comprehend Xavier was dead He had passed and Dawnika knew it before they even got to the hospital It came as a bit of a shock that he ended up like his father He was healthy never did anything that he shouldn't have For Christ's sake he was captain of the soccer and football team Xavier was as healthy as could be yet he gave no sign of life One moment he was

breathing the next he was lying sprawled out on the couch They were watching cheesy horror flicks and laughing at every flaw when he started to appear uncomfortable At first she wasn't really worried of course that was the first mistake that she made He was her boyfriend and she should've always been concerned however she wasn't The reason why would remain unknown to her Twenty minutes later he was complaining of chest pains and asked her to call an ambulance She did but when they arrived she knew they were too late He wasn't breathing He wasn't moving That of course nearly gave her a heart attack Moreover she passed out and when she woke up she was at the hospital lying in a bed
