Why Haiti Needs New Narratives A Postquake Chronicle:

Why Haiti Needs New Narratives Gina Athena Ulysse, 2015-05-25 Winner of the Haitian Studies Association Excellence in Scholarship Award 2015 Mainstream news coverage of the catastrophic earthquake of January 12 2010 reproduced longstanding narratives of Haiti and stereotypes of Haitians Cognizant that this Haiti as it exists in the public sphere is a rhetorically and graphically incarcerated one the feminist anthropologist and performance artist Gina Athena Ulysse embarked on a writing spree that lasted over two years As an ethnographer and a member of the diaspora Ulysse delivers critical cultural analysis of geopolitics and daily life in a series of dispatches op eds and articles on post quake Haiti Her complex yet singular aim is to make sense of how the nation and its subjects continue to negotiate sovereignty and being in a world where according to a Haitian saying tout moun se moun men tout moun pa menm All people are human but all humans are not the same This collection contains thirty pieces most of which were previously published in and on Haitian Times Huffington Post Ms Magazine Ms Blog NACLA and other print and online venues The book is trilingual English Krey l and French and includes a foreword by award winning author and historian Robin D G Kelley Normalization in World Politics Nicolas Lemay-Hebert, Gëzim Visoka, 2022-02-08 As we face new challenges from climate change and the rise of populism in Western politics and beyond there is little doubt that we are entering a new configuration of world politics Driven by nostalgia for past certainties or fear of what is coming next references to normalcy have been creeping into political discourse with people either vying for a return to a past normalcy or coping with the new normal This book traces main discourses and practices associated with normalcy in world politics Visoka and Lemay H bert mostly focus on how dominant states and international organizations try to manage global affairs through imposing normalcy over fragile states restoring normalcy over disaster affected states and accepting normalcy over suppressive states They show how discourses and practices come together in constituting normalization interventions and how in turn they play in shaping the dynamics of continuity and change in world politics Bay Lodyans Cécile Accilien, 2023-08-01 In Haitian Creole bay lodyans means to tell stories to an audience and more generally to entertain This book is the first to analyze popular contemporary Haitian films looking especially at how they respond to the needs and desires of Haitian audiences in and beyond Haiti Produced between 2000 and 2018 and largely shot with digital cameras and sometimes cellphones these films focus on the complexities of community nostalgia belonging identity and the emotional landscapes of exile and diaspora They reflect sociopolitical and cultural issues related to family language immigration religion gender sexuality and economic hardship Using storytelling and other less traditionally academic techniques Cécile Accilien advances Haitian epistemological frameworks Bay Lodyans integrates terms and concepts from Haitian culture such as jerans and kafou derived from the French words for to manage and crossroads respectively and includes interviews with Haitian filmmakers actors and scholars in order to challenge the dominance of Western theoretical approaches and perspectives **Exiles, Travellers and**

Vagabonds ,2016-10-20 Travel writing migrant writing exile writing expatriate writing and even the fictional travelling protagonists that emerge in literary works from around the globe have historically tended to depict mobility as a masculine phenomenon The presence of such genres in women s writing however poses a rich and unique body of work This volume examines the texts of Francophone women who have experienced or reflected upon the experience of transnational movement Due to the particularity of their relationship to home and the consequent impact of this on their experience of displacement the study of women s mobility opens up new questions in our understanding of the movement from place to place and in our broader understanding of colonial and postcolonial worlds Addressing the proximities and overlaps that exist between the experiences of women exiles migrants expatriates and travellers the collected essays in this book seek to challenge the usefulness relevance or validity of such terms for conceptualising today s complex patterns of transnational mobility and the gendered identities produced therein

The Routledge Companion to Ethics and Research in Ethnomusicology Jonathan P. J. Stock,Beverley Diamond,2022-11-30 The Routledge Companion to Ethics and Research in Ethnomusicology is an in depth survey of the moral challenges and imperatives of conducting research on people making music It focuses on fundamental and compelling ethical questions that have challenged and shaped both the history of this discipline and its current practices In 26 representative cases from across a broad spectrum of geographical societal and musical environments authors collectively reflect on the impacts of ethnomusicological research exploring the ways our work may instantiate privilege or risk bringing harm as well as the means that are available to provide recognition benefit and reciprocation to the musicians and others who contribute to our studies In a world where differing ethical values are often in conflict and where music itself is meanwhile a powerful tool in projecting moral claims we aim to uncover the conditions and consequences of the ethical choices we face as ethnomusicologists thereby contributing to building a more engaged restructured discipline and a more globally responsible music studies The volume comprises four parts 1 sound practices and philosophies of ethics 2 fieldwork encounters 3 environment trauma collaboration and 4 research in public domains

Encyclopédie noire Sara E. Johnson, 2023-11-06 If you peer closely into the bookstores salons and diplomatic circles of the eighteenth century Atlantic world M d ric Louis lie Moreau de Saint M ry is bound to appear As a lawyer philosophe and Enlightenment polymath Moreau created and compiled an immense archive that remains a vital window into the social political and intellectual fault lines of the Age of Revolutions But the gilded spines and elegant designs that decorate his archive obscure the truth Moreau s achievements were predicated upon the work of enslaved people and free people of color Their labor afforded him the leisure to research think and write Their rich intellectual and linguistic cultures filled the pages of his most applauded works Every beautiful book Moreau produced contains an embedded story of hidden violence Sara Johnson s arresting investigation of race and knowledge in the revolutionary Atlantic surrounds Moreau with the African descended people he worked so hard to erase immersing him in a vibrant community of language innovators forgers of kinship networks and world travelers who strove to create their own social and political lives Built from archival fragments creative speculation and audacious intellectual courage Encyclop die noire is a communal biography of the women and men who made Moreau s world

Humanity's Last Stand Mark Schuller, 2021-01-15 Foreword by Cynthia McKinney Introduction Careening toward extinction We re all in this together Dismantling white supremacy Climate justice versus the anthropocene Humanity on the move justice and migration Dismantling the ivory tower

Toussaint Louverture Charles Forsdick, Christian Hogsbjerg, 2017-05-20 In overthrowing me you have done no more than cut down the trunk of the tree of liberty it will spring back from the roots for they are numerous and deep Toussaint Louverture The leader of the only successful slave revolt in history Toussaint Louverture is seen by many to be one of the greatest anti imperialist fighters who ever lived Born into slavery on a Caribbean plantation he was able to break from his bondage to lead an army of freed African slaves to victory against the professional armies of France Spain and Britain in the Haitian Revolution of 1791 1804 In this biography Louverture s fascinating life is explored through the prism of his radical politics It champions this black Robespierre whose revolutionary legacy had inspired people and movements in the two centuries since his death For anyone interested in the roots of modern day resistance movements and black political radicalism Louverture s extraordinary life provides the perfect starting point

Climate Change, Literature, and Environmental Justice Janet Fiskio, 2021-04-22 This book shows how the discourse of climate change emerges within histories of colonization enslavement and revolution By placing climate change within the longer histories of enslavement and settler colonialism Janet Fiskio reveals the connections between climate change activism and enslavement genocide imperialism white supremacy incarceration Organized around

three themes speculative pasts and futures practices of dissent mourning and repair and everyday inhabitation and social care Climate Change Literature and Environmental Justice shows the ways that frontline communities resist environmental racism and protect and repair the world It provides analysis of expressive cultures including literature dance protest movements oral history and cooking utilizing decolonial and reparative theories It offers readings of key figures such as Octavia Butler Louise Erdrich Winona LaDuke Mark Nowak Simon Ortiz Jesmyn Ward and Colson Whitehead *The Coloniality of Catastrophe in Caribbean Theater and Performance* Camilla Stevens, [Transforming Ethnomusicology Volume I](#) Beverley Diamond, Salwa El-Shawan Castelo-Branco, 2021 For decades ethnomusicologists across the world have considered how to affect positive change for the communities they work with Through illuminating case studies and reflections by a diverse array of scholars and practitioners Transforming Ethnomusicology aims to both expand dialogues about social engagement within ethnomusicology and at the same time transform how we understand ethnomusicology as a discipline The first volume of Transforming Ethnomusicology focuses on ethical practice and collaboration examining the power relations inherent in ethnography and offering new strategies for transforming institutions and ethnographic methods These reflections on the broader framework of ethnomusicological practice are complemented by case studies that document activist approaches to the study of music in challenging contexts of poverty discrimination and other unjust systems **The Zombie in Contemporary French Caribbean Fiction** Lucy Swanson, 2023-02-15 Believed to have emerged in the French Caribbean based on African spirit beliefs the zombie represents not merely the walking dead but also a walking embodiment of the region's history and culture In Haiti today the zombie serves as an enduring memory of enslavement it is defined as a reanimated body robbed of part of its soul forced to work in sugarcane fields In Martinique and Guadeloupe the zombie takes the form of a shape shifting evil spirit and represents the dangers posed to the maroon or freedom runner The **Zombie in Contemporary French Caribbean Fiction** is the first book length study of the literary zombie in recent fiction from the region It examines how this symbol of the enslaved and of the evil spirits that threaten them is used to represent and critique new socio political situations in the Caribbean It also offers a comprehensive and focused examination of the ways contemporary authors from Haiti and the French Antilles contribute to the global zombie imaginary identifying four avatars of the zombie the slave the trauma victim the horde and the popular zombie that appear frequently in fiction and anthropology exploring how works by celebrated and popular authors reimagine these archetypes *Detours* M. Bianet Castellanos, 2019-11-05 Touring Seeing Knowing Travel often evokes strong reactions and engagements But what of the ethics and politics of this experience Through critical personal reflections the essays in *Detours* grapple with the legacies of cultural imperialism that shape travel research and writing Influenced by the works of anthropologists Ruth Behar and Renato Rosaldo the scholars and journalists in this volume consider how first encounters those initial awkward attempts to learn about a culture and a people evolved into enduring and critical engagements Contemplating the ethics and racial politics of traveling and doing

research abroad they call attention to the power and privilege that permit researchers to enter people's lives ask intimate questions and publish those disclosures Focusing on Latin America and the Caribbean they ask Why this place What keeps us coming back And what role do we play in producing narratives of inequality uneven development and global spectacle The book examines the politics of return the experiences made possible by revisiting a field site over extended periods of time of scholars and journalists who have spent decades working in and writing about Latin America and the Caribbean Contributors aren't telling a story of enlightenment and goodwill they focus instead on the slippages and conundrums that marked them and raised questions of their own intentions and intellectual commitments Speaking from the intersection of race class and gender the contributors explore the hubris and nostalgia that motivate returning again and again to a particular place Through personal stories they examine their changing ideas of Latin America and the Caribbean and how those places have shaped the people they've become as writers as teachers and as activists

Race, Gender, and Citizenship in the African Diaspora Manoucheke Celeste, 2016-07-01 Winner of the National Communication Association's 2018 Diamond Anniversary Book Award With the exception of slave narratives there are few stories of black international migration in U.S. news and popular culture This book is interested in stratified immigrant experiences diverse black experiences and the intersection of black and immigrant identities Citizenship as it is commonly understood today in the public sphere is a legal issue yet scholars have done much to move beyond this popular view and situate citizenship in the context of economic social and political positioning The book shows that citizenship in all of its forms is often rhetorically representationally and legally negated by blackness and considers the ways that blackness and representations of blackness impact one's ability to travel across national and social borders and become a citizen This book is a story of citizenship and the ways that race gender and class shape national belonging with Haiti Cuba and the United States as the primary sites of examination

The Republic of "Hait-Me" KP Barnabas, 2023-04-01 Less than three decades after the United Colonies declared independence from Britain and became the first independent nation in the Western Hemisphere known as The United States of America there was another declaration of independence resulting in the formation of the first Black republic in the world and the second republic in the Western Hemisphere by way of the first and only successful self-emancipating slave revolt making The Republic of Haiti the first independent nation in the Caribbean Instead of being respected and celebrated for these phenomenal firsts Haiti has been the subject of what appears to be a fervid grudge that has spanned two centuries and continues to this day When juxtaposing America's quest to break away from British colonialism against Haiti's quest to break away from French colonialism what could Haiti have possibly done different from America that merited perpetual ill treatment from the beginning of the 19th century to this very day Join me in examining the roots of Haiti's 200-year burden

The Cambridge Handbook for the Anthropology of Gender and Sexuality Cecilia McCallum, Silvia Posocco, Martin Fotta, 2023-10-19 The tense but enduring engagement between anthropology and gender and sexuality studies has had

profound effects upon anthropological theory and practice Bringing together contributions from an international team of authors this Handbook shows that anthropological work has taken inspiration from feminist and LGBTQI movements to create a transformative body of research It provides an accessible state of the art overview of the anthropology of gender and sexuality whilst also documenting its historical emergence highlighting the varied impact gender and sexuality studies have had on anthropological theory It is split into five parts with each chapter introducing a contemporary anthropological theory through in depth ethnographical discussion It features intersectional black and indigenous authors providing a forum for established and emerging voices to gesture towards futures of anthropology of gender and sexuality Authoritative and cutting edge it is essential reading for researchers and students in anthropology and will set the agenda for future research in the field

Global Guyana Oneka LaBennett, 2024-04-16 This book makes the bold claim that we must put the small easily overlooked South American nation of Guyana on the map if we hope to understand the global threat of environmental catastrophe as well as the pernicious forms of erasure that structure Caribbean women's lives

Beyond Disaster Melissa L Rosario, 2025-02-15 An alternative view of Puerto Rico's past present and future How do we map the pathways to liberation where we have been taught to see only trauma suffering and lack Melissa L Rosario offers an alternative view of Puerto Rico America's oldest colony removing readers from the framework of crisis to consider the deeper legacies of its current impasse Beyond Disaster Building Collective Futures in Puerto Rico is an intimate portrait weaving insights from the author's own life research and organizing work as a scholar in the diaspora who rematriated Rosario bridges the genres of social history and memoir to unsettle the meaning of resistance and freedom underscoring the deep wounds of colonialism while still uplifting the profound possibilities of embodied alternatives Beyond Disaster critiques the framework of debt and crisis by examining the psychological emotional and spiritual effects of colonialism Rosario highlights key examples of organizing efforts to defend land and education against total enclosure protecting life amid loss This book offers a series of microhistories vignettes and prose poetry to foreground the daily practices necessary to anchor the ecological and political landscapes of our collective future
