Summary of The Obesity Code Alexander Cooper,2021-08-13 Summary of The Obesity Code In the book The Obesity Code Unlocking the Secrets of Weight Loss Jason Fung chronicles the ballooning of the obesity epidemic from the 1970s to date and proposes a hormonal theory of obesity that sheds light on obesity as a hormonal imbalance disorder rather than a caloric imbalance disorder He argues that conventional advice to eat less and move more fails because it ignores the multifactorial nature of obesity and because the body has an efficient homeostatic mechanism that moderates changes in caloric intake and expenditure to maintain a set weight In his view obesity is a multifactorial disease with carbohydrates calories sugar and insulin resistance converging to create the hormonal imbalances that lead to weight gain He identifies excessive insulin which is stimulated by persistently high levels of glucose as the ultimate cause of obesity Fung contends that dieters fail because they regard meal portions and exercise routines with hawk eyed scrutiny while the real culprits of obesity meal content and timing go unaddressed He proposes a combination of a diet low in sugar and processed foods and intermittent fasting to limit insulin spikes reduce insulin levels and consequently lower weight Here is a Preview of What You Will Get A Full Book Summary An Analysis Fun quizzes Quiz Answers Etc Get a copy of this summary and learn about the book [Taking Out the Carbage](#) DJ Foodie,2015-01-01 A 576 page low carb cookbook and survival guide by DJ Foodie featuring over 200 chef tested keto friendly recipes under 10 net carbs per serving Includes full nutritional breakdowns 3 weeks of meal plans shopping lists and bulk freezer cooking guides DJ s Low Primal approach helped him lose 141 pounds offering practical strategies for sustainable low carb living [Menglim](#) Ian Cosgrove,2015-05-23 Menglim Phoy is an exceptional young man from a poor family His mother ignoring the taunts of their equally poor neighbours encouraged her children to fulfill their potential rather than work the land Now 23 Menglim is at a Russian university progressing toward a Masters degree in Civil Engineering As his sponsor I decided now was an opportune time to record our recent conversations as something to look back on when he has made his mark in the world of Unique Building and Design **The Keto Diet** Leanne Vogel,2017-04-11 Leanne Vogel the voice behind the highly acclaimed website Healthful Pursuit brings an entirely new approach to achieving health healing weight loss and happiness through a keto adapted lifestyle A one stop guide to the ketogenic way of eating The Keto Diet shows you how to transition to and maintain a whole foods based paleo friendly ketogenic diet with a key focus on practical strategies and tons of mouthwatering recipes You ll have all the tools you need to fall in love with your body and banish your fear of fat forever [Simply Keto](#) Suzanne Ryan,2017-12-12 A practical approach to health weight loss with 100 easy low carb recipes Cover [Goodbye, Pills & Needles: A Total Re-Think of Type II Diabetes.
