strong and independent mutually agreed upon by the male Wiccan community as well. While traditionally Wiccan texts and instructions paid more attention to the Mother Goddess and as a result to women, modern religions and texts molded themselves to favor equality among the God and the Goddess, which translates to the divine feminine and masculine. Wicca is packed as a religion which traditionally comprises of mystery, witchcraft, natural and ceremonial magic. Another one of the philosophies practiced by Wiccan men and women is the equal worshipping of the Goddess and the Horned God, which represents the dual nature of the universe: male/female, Earth/Sky, and so on.

The Wiccan religion was hailed as one of the most popular religions in the mid 20th century. With its inclination towards equality and witchcraft, it gained a lot of movement and traction and attracted a large amount of followers. However, as Christianity developed, Wicca, like many other pagan religions, was persecuted. As inquisitions were carried out, witches were captured ruthlessly and burned upon huge bonfires. The traditions that kept the Wiccan flame alive were uprooted and discarded as Christianity expanded all over the globe. For instance, goddess Brigid, the goddess of fire, was hailed as one of their Saints by Christianity, claiming that she was the midwife of the Virgin Mary. However, the flames of Witchcraft and other Wiccan traditions could never be removed entirely, as it is gaining a considerable amount of popularity among the young generation today. The magic associated with this ancient religion fascinates many young people around the world today.

Wicca is a term that was preferred since it is a neopagan form of witchcraft. Wiccans believe in the universal elements of air, fire, water, spirit, and earth. These are elements that make up the Wiccan symbol of the pentacle. Wiccans have a belief that energies are both female and male, and these energies are separate in their identities, as well as powerful in their union. However, these energies are honored equally. Many who practice Wicca usually identify with a particular deity, while there are other Wiccans who will call on a God or Goddess who has the relevant powers for their particular spell only. Many people follow Wicca because there are no rules. But the Wiccan Rede states that "An ye harm none, do as you will." This is a simple message that states that you are free to do as you wish, as long as you do not cause hurt or harm to anyone.
