As their appetites for one another increase to a breaking point, Bennett and Chloe must decide exactly what they're willing to lose in order to win each other. Originally only available online as *The Office* by tby789 and garnering over 2 million reads on fanfiction sites, *Beautiful Bastard* has been extensively updated for re-release.

The Paradise Problem Christina Lauren, 2025-02-25 Anna Green thought she was marrying Liam West Weston for access to subsidized family housing while at UCLA. She also thought she'd signed divorce papers when the graduation caps were tossed and they both went on their merry ways. Three years later Anna is a starving artist living paycheck to paycheck while West is a Stanford professor. He may be one of four heirs to the Weston Foods conglomerate but he has little interest in working for the heartless corporation his family built from the ground up. He is interested however in his one hundred million dollar inheritance. There's just one catch. Due to an antiquated clause in his grandfather's will Liam won't see a penny until he's been happily married for five years. Just when Liam thinks he's in the home stretch pressure mounts from his family to see this mysterious spouse and he has no choice but to turn to the one person he's afraid to introduce to his overbearing parents his unpolished not so ex-wife. But in the presence of his family Liam's fears quickly shift from whether the feisty foul mouthed paint splattered Anna can play the part to whether the toxic world of wealth will corrupt someone as pure of heart as his surprisingly grounded and loyal wife. Liam will have to ask himself if the price tag on his flimsy cover story is worth losing true love that sprouted from a lie.
