existing in a place and time that is uniquely American Composed in brief paragraphs and structured as a series of vignettes pieces of fiction and autobiography The Late Work of Margaret Kroftis creates a world in which a woman's life is refracted through dreamlike logic Coupled with the spare language in which it is written this logic distorts and heightens the emotional truths the characters come to terms with while elevating them beyond the simply literal In The Late Work of Margaret Kroftis Mark Gluth does something I've never seen another author do he captures perfectly the feel of daydreams Though everybody in the book daydreams Gluth doesn't simply describe their thoughts instead he does something better and more brilliant he infuses his words with the deceptive simplicity and surrealism of the fantasies we dream up for ourselves Like daydreams his book is brief but powerful like daydreams it is both heartbreakingly hopeful and heart stoppingly honest It's a reverie that's a revelation It is great Derek McCormack author of The Show that Smells *Artificial Light* James Greer, 2006-07-01 Artificial Light beats the bejeezus out of the last dozen Thomas Pynchons the last nineteen Don DeLillos and the last forty three Kurt Vonneguts Richard Meltzer In his ambitious and intriguing debut novel indie rock expert Greer author of Guided by Voices employs one of literature's oldest gambits the book within a book structure three times over A young librarian calling herself Fiat Lux fills a set of notebooks with her passion for books and an enigmatic account of her interlude with Kurt C a famous indie rock star who appears unheralded in Dayton Ohio and buys the long abandoned Orville Wright mansion A member of the rock group Whiskey Ships is trying to write about his musical odyssey but longs to return to his book about Orville Wright whose long lost diaries also feed the narrative stream Greer picks the lock on the Kurt Cobain mythos and the rapid commercialization of indie rock Strong writing and shrewd perceptions prevail backed by wry humor compelling stumblebum characters a true blue louche atmosphere and arresting insights into the dream of art be it literature or rock and roll Booklist
