

# Wild Geese

Mary Oliver

You do not have to be good.

You do not have to walk on your knees for a hundred miles  
through the desert repenting.

You only have to let the soft animal of your body love what  
it loves.

Tell me about despair, yours, and I will tell you mine.

Meanwhile the world goes on.

Meanwhile the sun and the clear pebbles of the rain are  
moving across the landscapes, over the prairies and the  
deep trees, the mountains and the rivers.

Meanwhile the wild geese, high in the clean blue air, are  
heading home again.

Whoever you are, no matter how lonely, the world offers  
itself to your imagination, calls to you like the wild geese,  
harsh and exciting - over and over announcing your place in  
the family of things.

public but active in private or the Siren using her sexuality to beat the system Ultimately Rushing arrives at the myth of Eros and Psyche where women's self understanding and personal development turns her erotic mentoring into an autonomous whole and free life unfettered by any man These women's stories and Rushing's literary and literate framing of their lives will ring true to many in the university
