Losing Streak Kristine Wyllys, 2014-09-15 Happiness doesn't come without a price Rosemary Young knows the Lane It's where she grew up raising a brother barely younger than she was It's where she served drinks wearing a gaudy uniform in a low lit bar to support her mama It's where she fell for a boy from the wrong side of the tracks Brandon Williams might've had a taste for gambling and been headed nowhere fast but something about him made her almost forget every promise she ever made These days when Rosie walks the Lane it's on the orders of the man who owns it The man who owns her Joshua King A bet gone wrong ties her to him serving as the collateral Brandon didn't have For Brandon the guilt is a white hot brand but Rosie can't bring herself to regret it completely The safety of those she loves is worth the sacrifice Now King's called Brandon back to town early and given Rosie one last job to do before they're free Nothing not even King will keep Brandon from Rosie not after three years of simply existing without her And before it's all over everything that had been done in darkness will come to light and nothing in their lives will ever be the same again 67 000 words **Wild Ones** Kristine Wyllys, 2014-01-13 Bri Martin likes her skirts too short her heels too high and trouble close at hand So when big brooding underground boxer Luke Turner comes into the bar where she works and starts a fight before she brings his first drink she can't help being intrigued Luke is everything she never wanted and everything she can't resist Soon Luke is showing up everywhere Bri is and she can't break free of his hold on her nor does she want to When her best friend turns on her it's Luke who is there When Luke's opponent comes after her to send Luke a message it's he who comes to her rescue Before Bri knows it she's caught in the midst of a rivalry between her boyfriend and her boss both of whom are not content to settle their scores inside the ring She swore she'd never live this life so like the one she once ran from But only by confronting her past can she decide where her future lies and whether Luke can be a part of it 61 000 words **Antiquarian Bookman**, 1954
