Wild Steps Of Heaven Victor Villaseñor:

Wild Steps of Heaven Victor Villaseñor, 1996 The author tells the story of his father's family beginning before the revolution of 1910 a time of gods a time of serpents and yea a time of love in Los Altos de Jalisco where tequila and myth are the order of the day Lion Eyes Victor Villaseñor, 2011-10-01 In the American Indian belief it is said that we never really know who we are until we find our totem and once we do then everything falls into place even in the midst of chaos Lion Eyes is the exciting true story of Jan Milburn who came face to face with his totem and was transformed As a love deprived young child he got lost in a snowstorm in the Santa Cruz Mountains of California and a huge mountain lion led him safely home setting him on a course for a miraculous life Acclaimed bestselling author Victor Villaseñor gives voice to Jan's thrilling tale full of danger clashes between light and darkness romance and healing miracles Against the backdrop of the 60s a time of love and war a time of turmoil and social upheaval a time of young people's exuberant exploration while the establishment tried to hold on to the past Jan Milburn chose an unusual calling becoming the youngest minister ever ordained by the state of California Jan's spiritual path incredibly led him from San Francisco's Haight Ashbury District of the 60s to Mexico and into the darkness of the drug world Hunted by a notorious assassin he stared down death and encountered the very depths of depravity and violence but ultimately awakened to his magical Spirit Guides and the Kingdom of God within each of us that transcends religion and of the body limitations It was at this time that Mireya a beautiful young Indian girl saw in Jan the noble heart of a lion and the vision of an eagle Nothing could get in the way of her love and admiration for this man It was written in the stars she said Eventually Mireya and Jan married and were instrumental in helping to return more than two million acres of stolen land to the Tarahumara Indians of Chihuahua Mexico Lion Eyes is a mystical heartfelt soul inspiring love story of timeless relevance It shows us that our global future lies not just in our politics and religious beliefs but also in our unwavering love and our forgotten native wisdom that once we find our totem everything falls into place even amidst chaos illustrated by one man's incredible life which can become the norm for all of humanity **Beyond Rain of Gold**

Victor Villaseñor, 2011-04-01 The incredible story behind the writing and publication of Victor Villaseñor's national bestseller Rain of Gold It captures the difficult and courageous path the author followed to ensure that his family's saga would be published as the authentic true account it is The real power of this book lies in the sacred relationship that Villaseñor has with his father mother and ancestors In other words Beyond Rain of Gold encompasses the magical messages that Villaseñor's indigenous ancestors told him are universal themes common to native peoples everywhere on this planet and at one time we were all indigenous This is an exciting raw and honest work with events occurring that transcend the boundaries of what we normally call reality And like Carlos Castaneda's Don Juan trilogy Beyond Rain of Gold explores altered states of consciousness revealing the wisdom and magic inherent in everyday existence This is a book that will make you see the world in an entirely different way and which will stimulate your mind and emotions to create a New Earth way of thinking and

Gonzales, 2009-08-20 Newly revised and updated Mexicanos tells the rich and vibrant story of Mexicans in the United States Emerging from the ruins of Aztec civilization and from centuries of Spanish contact with indigenous people Mexican culture followed the Spanish colonial frontier northward and put its distinctive mark on what became the southwestern United States Shaped by their Indian and Spanish ancestors deeply influenced by Catholicism and tempered by an often difficult existence Mexicans continue to play an important role in U S society even as the dominant Anglo culture strives to assimilate them Thorough and balanced Mexicanos makes a valuable contribution to the understanding of the Mexican population of the United States a growing minority who are a vital presence in 21st century America [With Her Machete in Her Hand](#) Catrióna Rueda Esquibel, 2009-09-15 With the 1981 publication of the groundbreaking anthology This Bridge Called My Back Writings by Radical Women of Color Cherr e Moraga and Gloria Anzald a ushered in an era of Chicana lesbian writing But while these two writers have achieved iconic status observers of the Chicana o experience have been slow to perceive the existence of a whole community lesbian and straight male as well as female who write about the Chicana lesbian experience

To create a first full map of that community this book explores a wide range of plays novels and short stories by Chicana o authors that depict lesbian characters or lesbian desire Catri na Rueda Esquibel starts from the premise that Chicana o communities theories and feminisms cannot be fully understood without taking account of the perspectives and experiences of Chicana lesbians To open up these perspectives she engages in close readings of works centered around the following themes La Llorona the Aztec Princess Sor Juana In s de la Cruz girlhood friendships rural communities and history and Chicana activism Her investigation broadens the community of Chicana lesbian writers well beyond Moraga and Anzald a while it also demonstrates that the histories of Chicana lesbians have had to be written in works of fiction because these women have been marginalized and excluded in canonical writings on Chicano life and experience *Chicano Writers* Francisco A.
