Peaceful at Heart Don Neufeld,Steve Thomas,2019-05-31 While there are plenty of books by men for men on the topic of Christian masculinity these books generally fail to address men s propensities for violence and the traditional inequity between men and women often endorsing inequity and sanctioning aggressive behavior as an appropriate manly response to conflict Peaceful at Heart cuts through this conversation by offering a uniquely Anabaptist Christian perspective on masculinity The vision of masculinity presented in this book is more peaceful just caring life giving for men and more sensitive to women and children than both traditional images of masculinity and the hypermasculine images promoted by contemporary popular culture and wider evangelical Christianity Peaceful at Heart addresses men and masculinity using Anabaptist theological themes of discipleship community and peace As a collaborative project by men for men this book demonstrates through personal narratives theological reflection and practical guidance the importance of collective discernment accountability and mutual encouragement regarding how to live as a peaceful man in a violent world

The Publishers Weekly ,1897 Field Guide to the Wild World of Religion Pamela Dewey,2013-02 The American religious scene in 1955 was a very tame and predictable world It matched the tame predictable world of women s clothing where most women going out shopping wore a dress with coordinating gloves hat and shoes And it matched the tame predictable world of children s toys where almost every young girl yearned for a baby doll that said Ma Ma and almost every boy needed a coonskin cap Choices of fashions toys preachers and churches

were limited and domesticated Fifty years later the tame predictable world of 1950s fashions and toys is long gone Women go shopping in everything from sweatshirts and jeans to tube tops and short shorts And both boys and girls want the latest Sponge Bob Square Pants video game The same kind of transformation has gone on in the world of religion It is no longer tame and predictable either Welcome to the Wild World of Religion of the 21st Century Explore its habitats identify some of the inhabitants and learn about their characteristics and customs in this Field Guide [A Guidebook to Waking the Dead](#) John Eldredge,2003-11-24 In his book Waking the Dead best selling author John Eldredge reveals that things are not what they seem this is a world at war and you have a crucial role to play In this guidebook Eldredge takes you even deeper into the hidden meanings of this world giving you the courage to rise up and reclaim your heart as you fight for the hearts and souls of others Packed with questions stories and discussion topics you ll discover the glory of a heart fully alive through features such as Big Ideas thought provoking concepts that will challenge you to grow daily and excel as a cherished child of God Mythic Parables classic stories from Scripture as well as fairy tales old and new and Heart Monitors barometers for evaluating your own feelings struggles and passions No matter what you ve known so far Eldredge insists There is more available with God There is so much more *The Family* Jeff Sharlet,2008 A journalist s penetrating and controversial look at the untold story of Christian fundamentalism s most elite organisation a self described invisible global network dedicated to a religion of power for the powerful They are the Family fundamentalism s avant garde waging spiritual war in the halls of American power and around the globe They consider themselves the new chosen congressmen generals and foreign dictators who meet in confidential cells to pray and plan for a leadership led by God to be won not by force but through quiet diplomacy Jeff Sharlet is the only journalist to have reported from inside its walls The Family is about the other half of American fundamentalist power not its angry masses but its sophisticated elites In public they host Prayer Breakfasts in private they preach a gospel of biblical capitalism military might and American empire Citing Hitler Lenin and Mao as leadership models the Family s current leader Doug Coe declares We work with power where we can build new power where we can t Part history part investigative journalism The Family is a compelling account of how fundamentalism came to be interwoven with American power and the no holds barred economics of globalisation No other book about the Right has exposed the Family or revealed its far reaching impact on democracy and no future reckoning of fundamentalism will be able to ignore it **The Gaithers and Southern Gospel** Ryan P. Harper,2017-04-26 In The Gaithers and Southern Gospel Ryan P Harper examines songwriters Bill and Gloria Gaither s Homecoming video and concert series a gospel music franchise that since its beginning in 1991 has outperformed all Christian and much secular popular music on the American music market The Homecomings represent southern gospel Typically that means a musical style popular among white evangelical Christians in the American South and Midwest and it sometimes overlaps in style theme and audience with country music The Homecomings nostalgic orientation their celebration of traditional kinds of American Christian life harmonize well with

southern gospel music past and present But amidst the backward gazes the Homecomings also portend and manifest change The Gaithers deliberate racial integration of their stages their careful articulation of a relatively inclusive evangelical theology and their experiments with an array of musical forms demonstrate that the Homecoming is neither simplistically nostalgic nor solely southern Harper reveals how the Gaithers negotiate a tension between traditional and changing community norms as they seek simultaneously to maintain and expand their audience as well as to initiate and respond to shifts within their fan base Pulling from his field work at Homecoming concerts behind the scenes with the Gaithers and with numerous Homecoming fans Harper reveals the Homecoming world to be a dynamic complicated constellation in the formation of American religious identity
