On the Road to Enlightened Duality M. Young, 2015-08-28 While traveling the road on pilgrimage or following American Baul Master Khepa Lee Lozowick 1943 2010 in his daunting travel schedule author Mary Angelon Young crafted a collection of essays that explore and evoke the many moods of *Enlightened Duality* one of Lozowick s core teachings in the path of Western Bauls This dynamic spiritual principle suggests that the spiritual seeker can combine an integrated awareness of the nondual all is One with a lively conscious relationship to the duality or play of opposites that is the constant fare of everyday life Unlike those strictly nondual perspectives that relegate the human experience to an illusion of the mind Lozowick asserted that while nondual unity is the foundation of what is simultaneously life is real These original essays cover such universal themes as Impermanence Beauty and Transformation and comprise one wayfarer s reflections reveries and research Some are flavored with academic spice but most are predominantly experiential presenting a kaleidoscopic journey that unfolds much like a large multifaceted jewel looked at from many different directions Each essay has its own integrity and stands on its own authority Yet taken as a whole they form a useful map of the tantric path charting its depths through daily events travel relationships creativity and work all continuous integrated aspects of the transformational path The teaching of enlightened duality can be found in many guises within the world s great traditions including Sufi Vajrayana Buddhist and both bhakti and tantric Hindu paths It is a universal theme and yet the treatment here runs true to the theistic underpinnings of the lineage from which it comes Khepa Lee Lozowick Sri Yogi Ramsuratkumar and Swami Ramdas From this view the highest aim of spiritual practice is to integrate mystical experience and insights of nonduality into ordinary life This book provides a genuine feast of practical wisdom for the hungry seeker who yearns for a path through life that is both transformational and yet honoring of the innate dignity and

potential of the human incarnation The author has travelled extensively in India and Europe has studied the Sanskrit Hindu and Buddhist traditions and has written published an extensive treatise on the Baul Path The Baul Tradition Hohm Press 2014 *Roll Around Heaven* Jessica Maxwell,2009-10-06 An all true accidental spiritual adventure Roll Around Heaven is filled with polished prose and travel writer Maxwell s eye opening and often humorous experiences Her work will resonate with seekers and cynics nature lovers and travel enthusiasts alike **Encyclopedia of American Literature** Manly, Inc.,2013-06 Susan Clair Imbarrato Carol Berkin Brett Barney Lisa Paddock Matthew J Bruccoli George Parker Anderson Judith S *The Novel: An Alternative History* Steven Moore,2013-09-17 Encyclopedic in scope and heroically audacious The Novel An Alternative History is the first attempt in over a century to tell the complete story of our most popular literary form Contrary to conventional wisdom the novel did not originate in 18th century England nor even with Don Quixote but is coeval with civilization itself After a pugnacious introduction in which Moore defends innovative demanding novelists against their conservative critics the book relaxes into a world tour of the pre modern novel beginning in ancient Egypt and ending in 16th century China with many exotic ports of call Greek romances Roman satires medieval Sanskrit novels narrated by parrots Byzantine erotic thrillers 5000 page Arabian adventure novels Icelandic sagas delicate Persian novels in verse Japanese war stories even Mayan graphic novels Throughout Moore celebrates the innovators in fiction tracing a continuum between these pre modern experimentalists and their postmodern progeny Irreverent iconoclastic informative entertaining The Novel An Alternative History is a landmark in literary criticism that will encourage readers to rethink the novel *SNCC's Stories* Sharon Monteith,2020-10-15 Formed in 1960 in Raleigh North Carolina the Student Non violent Coordinating Committee SNCC was a high profile civil rights collective led by young people For Howard Zinn in 1964 SNCC members were new abolitionists but SNCC pursued radical initiatives and Black Power politics in addition to reform It was committed to grassroots organizing in towns and rural communities facilitating voter registration and direct action through projects embedded in Freedom Houses especially in the South the setting for most of SNCC s stories Over time it changed from a tight cadre into a disparate group of many constellations but stood out among civil rights organizations for its participatory democracy and emphasis on local people deciding the terms of their battle for social change Organizers debated their role and grappled with SNCC s responsibility to communities to the walking wounded damaged by racial terrorism and to individuals who died pursuing racial justice SNCC s Stories examines the organization s print and publishing culture uncovering how fundamental self and group narration is for the undersung heroes of social movements The organizer may be SNCC s dramatis persona but its writers have been overlooked In the 1960s it was assumed established literary figures would write about civil rights and until now critical attention has centered on the Black Arts Movement neglecting what SNCC s writers contributed Sharon Monteith gathers hard to find literature where the freedom movement in the civil rights South is analyzed as subjective history and explored imaginatively SNCC s print culture consists of field reports pamphlets
