Wild Ride Ready To Ride English Edition:

Conversations with George Saunders Michael O'Connell, 2022-06-27 Besides being one of America's most celebrated living authors, George Saunders (b. 1958) is also an excellent interview subject. In the fourteen interviews included in *Conversations with George Saunders* covering nearly twenty years of his career, the Booker Prize-winning author of *Lincoln in the Bardo* and *Tenth of December* provides detailed insight into his own writing process and craft alongside nuanced interpretations of his own work. He also delves into aspects of his biography including anecdotes from his childhood and his experiences as both a student and teacher in MFA programs as well as reflections on how parenthood affected his writing, the role of religious belief and practice in his work, and how he has dealt with his growing popularity and fame. Throughout this collection, we see him in conversation with former students, fellow writers, mainstream critics, and literary scholars. In each instance, Saunders is eager to engage in meaningful dialogue about what he calls the big questions of our age. In a number of interviews, he reflects on the moral and ethical responsibility of fiction as well as how his work engages with issues of social and political commentary. But at the same time, these interviews like all of Saunders's best work are funny, warm, surprising, and wise. Saunders says he has always enjoyed doing interviews, in part because he views intense, respectful conversation as really an art form, an exploration of sorts. Readers of this volume will have the pleasure of joining him in this process of exploration.

When Too Old to Hunt... Try Drive-by Shooting J. Craig Stephens, 2011-03 Although incredible photography is more dependent on the skills of the photographer than geography, travel is a valued ingredient. This book attempts to capture stunning images of many of America's most beautiful scenes, many that are remote and took decades to locate. Hopefully, it will make you want to seek them out and visit them for yourself. It is a light-hearted collection of favorite photographic haunts, mixed with humor of the moment. Hope you enjoy.
