**The Quantum Vision of Simon Kimbangu** Dom Pedro V, 2011-12-22 Kintuadi is the connectivity interactivity communion and total oneness between Creator Man and all its creation the universe God is supreme Love eternal Patience and Timeless He is the same today as he was yesterday He is the same today as he will be tomorrow His permanence and persistence is to ensure that a special envoy and messenger is sent for each generation The great revelation is that before and after Christ messengers with the same mission have come and gone Now the big question is who are the messengers of our modern time Who is the special messenger for this 21st century If we do identify him this special messenger has the same mission and is the re incarnation of all his predecessors from Adamus to Simon Kimbangu of 1921
