Excerpt She tries to make herself smaller at the sight of the intimidating man He has dark skin as black as the night and eyes that are brighter than the sun He towers over the old man not just in height but also his muscles His black hair is short and curled sticking an inch from his head like a dense nest The only thing marring his perfect complexion is the claw marks across his face three jagged white lines drawn from one side of his face to the other She realizes she is staring but can't bring herself to stop Hello he greets smoothly seeming calm and poised but his gaze is very intent on her She shifts uncomfortably feeling the urge to run and hide His nostrils flare and she stops breathing as though that's enough to keep him from finding out what she is Well he grins all teeth and danger This is a lovely surprise Who might you be That's Anya Gideon volunteers readily She's here for Will too the man says before she can answer completely ignorant of the tension in the air Aren't you At her nod he continues She's just waiting for Will to come back Are you Malik hasn't stopped grinning She nods biting her lip in nervous fear Maybe she starts and then swallows the lump in her throat and continues Maybe I'll come back later Her feet move before her mind gives them permission to bear a retreat She tries to move past him towards the door but his hand shoots out and he's grasping her arm The old man finally senses that something's not right He jerks forward as though to help and then thinks better and stays where he is instead Malik what are you doing I see your lot has been keeping something from us old man His voice is level but there's something about his tone that makes the hair on her arm rise Gideon snaps his mouth shut before he can say anything else that may incriminate himself which is probably for the best Alpha Peter ordered everyone to report any unmated werewolves to him Malik says eyes glowing an ethereal gold as he turns his attention to her You've been hiding her from us haven't you Gideon's eyes widen I don't know what you're talking about She's here for a doctor Malik doesn't seem impressed by the little story You're coming with me he says tightening his grip on her arm She tries to yank her arm free but it's like trying to move a brick wall You can't she cries pulling back with all the strength she has Why not he asks looking at her now genuinely curious to hear her answer I already have an Alpha I'm mated

she lies He pauses watching her with eyes that seem to be able to see straight through her lies Without warning he yanks her towards him pulling him to his chest He bends down and noses her neck warm breath tickling her skin You don t smell mated he says Her breath hitches She pushes her palms against his chest and tries to free herself uselessly He s too strong A calloused hand pinches her chin and tilts her head to the side His tongue swipes over her neck all the way up to rabbiting pulse behind her ear It feels strange a shiver crawling through her skin Not completely unpleasant either which surprises her as much as it scares her She feels herself growing limp in his grasp her muscles relaxing against her will
