Wilde Nights In Paradise Entangled Ignite:

Wilde Nights in Paradise Tonya Burrows, 2013-06-10 Former Marine Jude Wilde's motto has always been burn bridges and never look back so nobody is more surprised when Wilde Security is hired to protect assistant district attorney Libby Pruitt the woman he loved and left. Although she makes it clear she wants nothing to do with Jude they're forced to fake a relationship for her safety. He can't ignore the heat still simmering between them and when her stalker's threats escalate to attempted murder he's left with no choice but to whisk her away to a friend's safe house in Key West FL. Cooped up in paradise together Jude begins to chip away at Libby's resolve to hate him. But even as she gives in to his proximity and her body's demands for him she refuses to fall for his charms again. Maybe a torrid affair in the sun is exactly what she needs to get him out of her system. But when her stalker tracks them down can they escape the steamy Key West night without anyone getting hurt. Wilde at Heart Tonya Burrows, 2015-09-07 Reece Wilde put everything in his life on the backburner to protect his brothers and their struggling company Wilde Security. With a major contract on the line Reece can't afford any mistakes like getting caught in a red hot X rated moment with wild child Shelby Bremer who's more trouble than he can handle. Now he's being blackmailed. Shelby's mile long impulsive streak gets her in more trouble than she'd like to admit. Between her sister's wedding her coffee shop set on fire and getting down and dirty with the groom's brother things are definitely coming off the rails. With both their careers and their safety on the line Reece is determined to keep them both safe even if it means a Vegas style shotgun wedding. But gambling on a wild card and a wild soul is risky and sometimes it can get a guy killed. Each book in the Wilde Security series is a standalone story that can be enjoyed out of order. Unfortunately all it takes is the wrong set of eyes to blow her cover. Enter Vaughn the man she once let get too close to her real self. Ex Navy SEAL Vaughn Wilde has one objective drive Lark back to DC to face charges for identity theft which would be easier if he could forget the three lust filled weeks he shared with her before she disappeared. With each passing mile he can't ignore the heat still sparking between them or the fact he has led her enemies right to her. Lark can't stay with Vaughn not when it will put him in the crosshairs of the dangerous man she's spent the last five years running from. But Vaughn is determined to keep her safe even if it means she'll run off with his heart all over again. Each book in the Wilde Security series is a standalone story that can be enjoyed out of order.
