**Wildflower** Alecia Whitaker, 2014-07-01 The best songs come from broken hearts Bird Barrett has grown up on the road singing backup in her family's bluegrass band and playing everywhere from Nashville Tennessee to Nowhere Oklahoma But one fateful night when Bird fills in for her dad by singing lead a scout in the audience offers her a spotlight all her own Soon Bird is caught up in a whirlwind of songwriting meetings recording sessions and music video shoots Her first single hits the top twenty and suddenly fans and paparazzi are around every corner She's even caught the eye of her longtime crush fellow roving musician Adam Dean With Bird's star on the rise though the rest of her life falls into chaos as tradition and ambition collide Can Bird break out while staying true to her roots In a world of glamour and gold records a young country music star finds her voice     The Road to You Alecia Whitaker, 2015-07-14 Bright lights screaming fans cute roadies country music sensation Bird Barrett has officially arrived Next up on the road to stardom Bird's heading out on tour Between opening for one of the biggest acts in country music and meeting a passionate young photographer who's working as part of the backstage crew the weeks pass by in an exciting blur It might even be enough to distract Bird from the way things ended or never quite started with Adam Dean When the tour wraps though it's back to reality The label is eager for a new hit song but the sudden fame complete with a media fueled rivalry with another country music starlet has Bird questioning her priorities Before she can pour her heart into her music she'll need to figure out where it truly lies Filled with sweet country music spirit Wildflower is a series you just can't get out of your head     Talking Book Topics , 2015-07     **The Way Back Home**

Alecia Whitaker, 2016-07-19 Music sensation Bird Barrett is hitting the road headlining her first national tour after the launch of her second album Singing to sold out crowds can mess with a girl's sense of perspective though Luckily Bird has her older brother Dylan and her best friend Stella along for the ride to keep her grounded Then Dylan and Stella pair off as more than friends Feeling left behind Bird throws herself completely into her performances cover shoots and high profile interviews And the more she tries to distract herself with her career the further she pushes everyone away including her longtime crush Adam Dean who joined the tour as her opener When Bird breaks down she'll need help to find her footing again But has she pushed everyone too far In a life like this one a country girl needs her family and friends and maybe an old flame most of all A foot stompin finale to Alecia Whitaker's irresistible Wildflower series     *Wildflower* Alecia Whitaker, 2014     **A**
