Will Zimsec Offer June Exams For 2015:

The End of an Era? Robert Mugabe and a Conflicting Legacy Munyaradzi, Mawere, Marongwe, Ngonidzashe, 2018-11-17 Arguably one of the most polarising figures in modern times has been Robert Gabriel Mugabe the former President of the Republic of Zimbabwe The mere mentioning of his name raises a lot of debate and often times vicious if not irreconcilable differences both in Zimbabwe and beyond In an article titled Lessons of Zimbabwe Mahmood Mamdani succinctly captures the polarity thus It is hard to think of a figure more reviled in the West than Robert Mugabe and his land reform measures however harsh have won him considerable popularity not just in Zimbabwe but throughout southern Africa This together with his recent stylised ouster speaks volumes to his conflicted legacy The divided opinion on Mugabe s legacy can broadly be represented first by those who consider him as a champion of African liberation a Pan Africanist an unmatched revolutionary and an avid anti imperialist who literally spoke the truth to Western imperialists On the other end of the spectrum are those who seemingly paying scant regard to the predicament of millions of black Zimbabweans brutally dispossessed of their land and human dignity since the Rhodesian days have differentially characterised Mugabe as a rabid black fascist an anti white racist an oppressor and a dictator Drawing on all these opinions and characterisations the chapters ensconced in this volume critically reflect on the personality leadership style and contributions of Robert Mugabe during his time in office from 1980 to November 2017 The volume is timely in view of the current contested transition in Zimbabwe and with regard to the ongoing consultations on the Land Question in neighbouring South Africa It is a handy and richly documented text for students and practitioners in political science African studies economics policy studies development studies and global studies [A GUIDE TO ZIMBABWE TAXATION](#) , [Management of the Cricketing Ecosystem](#) Subhasis Ray, 2022-11-04 This book is a culmination of sustained research work on the evaluation of cricket and its management to imbibe a balance between its various formats by using data and analytics The book has identified three primary stakeholders administrators players and spectators each having their own ambitions In order for convergence of these ambitions it has prescribed the networked governance in place of hierarchic governance for the International Cricket Council ICC the cricket s apex body This book aims at creating a balance between formats that each country should play There is as much dearth of academic research on this topic as there is abundance of individual viewpoints from professionals related to the game Hence at the outset the book has created a action points and has underlined the lack of convergence with present way of governance This book has created a meta metric framework for formative assessment of influence across cricket formats In order to assess the influence of T20 on test matches and on India s performance a comparison between pre IPL period 1998 2007 and post IPL period 2008 2017 by using this framework has been done [Inventing the New Dispensation in Zimbabwe](#) Ezra Chitando, Lovemore Togarasei, Joram Tarusarira, 2024-11-14 How does a regime whose members have been actively involved in the previous one appropriate and deploy religious ideas and rhetoric to cast itself as

born again and attractive Exploring intersections between politics religion and economics this book examines invention of Zimbabwe s New Dispensation the regime of Emmerson D Mnangagwa and how it has aimed to separate itself from the previous regime of Robert G Mugabe Utilizing the concept of invention contributors reflect on how Mnangagwa and his publicists deploy religious ideas concepts and rhetoric in the quest for legitimacy in a heavily contested political field The book also reflects on the ways opposing political actors have utilized the same template in their quests to secure power The contributors interrogate the use of time theological ideas and religious practices to separate Mnangagwa s regime from Mugabe s This book provides insight into how religious rhetoric is used not only to gain but also to contest legitimacy in Zimbabwe s political sphere

SADC Gender Protocol 2018 Barometer Morna, Colleen Lowe, Glenwright, Danny, 2018-08-20 The SADC Protocol on Gender and Development is the only sub regional instrument in the world that brings together global and continental commitments to gender equality in one instrument used to enhance accountability The Southern African Gender Protocol Alliance is a network of country and regional NGOs that campaigned for the Protocol it s updating implementation and tracking Originally aligned to the Millennium Development Goals that expired in 2015 SADC Gender Ministers updated the Protocol and aligned it to the Sustainable development Goals SDGs Beijing Plus Twenty and the Africa Agenda 2063 in 2016 In July 2017 the Ministers adopted a Monitoring Evaluation and Results Framework MERF that is now the basis of reporting 2018 marks the tenth anniversary of the SADC Gender Protocol and the Barometer Moving with the times the Alliance has expanded the two yardsticks in the Barometer the SADC Gender and Development Index SGDI and the Citizen Score Card CSC The Barometer incorporates many MERF and SDG indicators as well as its own unique measures of voice choice and control The Barometer also introduces the Gender Responsive Assessment of Constitutions and Laws conducted by Alliance experts and networks around the region A wealth of data insights and analysis awaits all readers of the Barometer that will also be made available online and in multi media formats The SADC we want is one in which citizens engage step it up for gender equality and make sure we achieve Planet 50 50 by 2030

The impact of the African Charter and the Maputo Protocol in selected African states Kounkinè Augustin Somé,Polycarp Ngufor Forkum,Armand Tanoh,Meskerem Geset Techane,Satang Nabaneh,Michael Gyan Nyarko,Saoyo Tabitha Griffith,Paul Ogendi,Sizakele Hlatshwayo,Sarai Chisala-Tempelhoff,Seun Solomon Bakare,Roopanand Mahadew,Augustine Sorie Marrah,Ofentse Motlhasedi,Linette du Toit,Dumsani Dlamini,Grace Kamugisha Kazoba,Charles Mmbando,Agaba Daphine Kabagambe,Tarisai Mutangi,2016-07-13 The year 2016 was declared by the African Union as the African Year of Human Rights with Particular Focus on the Rights of Women to commemorate and celebrate significant milestones in the realisation of human rights on the African continent The

year marks the 35th anniversary of the adoption of the African Charter on Human and Peoples Rights African Charter 30th year since coming into force of the African Charter and 10 years since the inauguration of the African Court on Human and Peoples Rights Since its adoption the African Charter has been supplemented by the Protocol on the Rights of Women in Africa Maputo Protocol All AU member states with the exception of new comer South Sudan are state parties to the African Charter and 36 of them have accepted the Maputo Protocol This book assesses the impact and effectiveness of the African Charter and the Maputo Protocol in 17 African countries namely Burkina Faso Cameroon Cote d'Ivoire Ethiopia Gambia Ghana Kenya Lesotho Malawi Mauritius Nigeria Sierra Leone South Africa Swaziland Tanzania Uganda and Zimbabwe The book is the result of research conducted by selected alumni of the Centre for Human Rights LLM in Human Rights and Democratisation in Africa programme

The Misery of International Law John Linarelli, Margot E Salomon, Muthucumaraswamy Sornarajah, 2018-03-23 Poverty inequality and dispossession accompany economic globalization Bringing together three international law scholars this book addresses how international law and its regimes of trade investment finance as well as human rights are implicated in the construction of misery and how international law is producing reproducing and embedding injustice and narrowing the alternatives that might really serve humanity Adopting a pluralist approach the authors confront the unconscionable dimensions of the global economic order the false premises upon which they are built and the role of international law in constituting and sustaining them Combining insights from radical critiques political philosophy history and critical development studies the book explores the pathologies at work in international economic law today International law must abide by the requirements of justice if it is to make a call for compliance with it but this work claims it drastically fails to do so In a legal order structured around neoliberal ideologies rather than principles of justice every state can and does grab what it can in the economic sphere on the basis of power and interest legally so and under colour of law This book examines how international law on trade and foreign investment and the law and norms on global finance has been shaped to benefit the rich and powerful at the expense of others It studies how a set of principles in the form of a New International Economic Order NIEO that could have laid the groundwork for a more inclusive international law without even disrupting its market orientation were nonetheless undermined As for international human rights law it is under the terms of global capitalism that human rights operate Before we can understand how human rights can create more just societies we must first expose the ways in which they reflect capitalist society and how they assist in reproducing the underlying terms of immiseration that will continue to create the need for human rights protection This book challenges conventional justifications of economic globalization and eschews false choices It is not about whether one is for or against international trade foreign investment or global finance The issue is to resolve how if we are to engage in trade investment and finance we do so in a manner that is accountable to persons whose lives are affected by international law The deployment of human rights for their part must be considered against the ubiquity of neoliberal globalization under law and
