We are an impatient people who want everything done in a hurry But God refuses to be rushed In the words of author James W Moore We love instant results We want everything done in a hurry these days We don t want to wait for anything We are so different from the earlier generations who ordered things from the Sears catalog and waited with great anticipation for weeks or even months for the items to arrive We want to pay a little down now even if we can t really afford it and get it today We are impatient people looking for immediate action and instant gratification so much so that God s patient ways sometimes confuse perplex and bother us We are impatient but God is deliberate steady and long suffering We look for the speedy way the shortcut the instant answer the immediate solution But God takes the long way round God refuses to be rushed The way to become a spiritually mature Christian is to spend so much time with Christ that we begin to think and act like him to spend so much time with him that we take on what the apostle Paul called the mind of Christ It just takes time and effort and commitment There are no easy instant solutions What we need to remember is that the things that matter most

take time effort commitment discipline lots of practice lots of hard work and lots of patience Working chapter titles include Lord Give Me Patience and Give it to Me Right Now Lord Give Me Perseverance Lord Give Me Faith Lord Give Me Forgiveness Lord Give Me Love Lord Give Me Childlikeness Lord Give Me Life Lord Give Me Grace and others This book includes twelve chapters and a discussion guide      **The Acts and Monuments of John Foxe** John Foxe, George Townsend, 1870      *William, by the Grace of God and the Favor of the Holy Apostolic See, Bishop of Hexham.
