Book Review 1 A collection of intimate interviews with people regarding the personal familial cultural and geographic factors in their working lives Inspired by Studs Terkel s Working 1974 which profiled ordinary American workers editor Skees God Among the Shakers 1998 takes the concept global Six of her 16 subjects live in the United States including a slack key guitarist in Honolulu an architect in Cincinnati and a recruiter headhunter in Tampa Florida The rest are on other continents including a coffee farmer in Nicaragua a Masai warrior in Tanzania a married couple running an eco friendly factory in India a rickshaw puller in Bangladesh and a private equity manager in Hong Kong Skees organizes the material into five sections Entrepreneurship Industry and Transportation Farming Food and Animals Finance and Technology and Music an environmental activist in

American coal country a banana farmer in Uganda a college admissions counselor in Rwanda and a fringe diplomat in Tel Aviv Few books dig so deeply into life as it s actually lived with such unsparing intimacy Prose Skees s own prose is sharp clear and purposeful but outside of introductions and some notes most of the book come straight from the mouths of her subjects through first person monologue Skees breaks the chapters up into short labeled sections This is helpful for skimmers but the shortness of the individual sections gives the chapters a stop and start feeling impeding narrative momentum Originality This isn t the first book to survey workers in their own words about work nor even the first one by Skees to do so but the author has selected a fresh fascinating cross section of people to reveal truths about the world and this current moment Execution The book offers insights wisdom challenges to orthodox thinking and some arresting first person storytelling It s both eye opening and a pleasure to learn about the day to day work of a Zambian mobile money agent and to discover how that work is vital to a population outside of the banking system That said the narrators individual voices sound somewhat similar to each other and the speakers too rarely offer up surprising or engaging anecdotes The emphasis here is strongly on the work itself and the sociopolitical context that created the opportunity for such work There s great value in capturing that but the book might prove more enticing for general audiences with a greater emphasis on voice and storytelling Booklife Publisher s Weekly **Lynn Alley's "Cooking with Fresh Herbs"** Lynn Alley,1991 **Bon Appétit** ,1996-07 Gourmet Pearl Violette Metzelthin,Ruth Reichl,2001 **The New York Times Index** ,2004 *Country Living* ,2002 **Kids Cookies** Susan Manlin Katzman,1998 Presents instructions for making a variety of cookies including iced buttery cutouts chocolate chip cookies double fudge brownies and jelly thumbprints *Minneapolis Star and Tribune Index* ,1982 **Williams Sonoma Cookie Recipe Deck** Williams Sonoma,2025 **Cookies & Biscotti** Kristine Kidd,1994 A must have collection for the kitchen of the 90s America s most respected cookware retailer the world s largest book publisher and renowned cooking authorities combine their talents to inspire and guide modern cooks Stunning color photo of each dish The Search for the Perfect Chocolate Chip Cookie ,1988 The Original Nestl Tollhouse Chocolate Chip cookie is ambrosia to most but it s clear fans of that delectable cookie and chocolate combination just can t resist fiddling with perfection And perfect they do Over 100 delicious and inventive variations of that original recipe from all chocolate extravaganzas to tempting add ins such as macadamia nuts Amaretto maple syrup granola and peanut butter have been collected here from cookie chefs across the country In this cookbook laced with sweet bits of chip history readers will find recipes to suit every taste and be inspired to come up with their own fresh from the oven chocolatey confections
