Willing Captive English Edition:

A Critical, Practical and Explanatory Commentary on the Old and New Testaments Jamieson, Fausset, Brown, 1864 *The Practical Pocket Commentary* Robert Jamieson, 1872 *Jamieson, Fausset, and Brown Commentary on the Whole Bible, Deluxe Edition* Jamieson, Fausset, and Brown, This is the Deluxe Edition of Jamieson Fausset and Brown's Commentary. It is a verse by verse account of the Bible with great scholarly insight and attention to the historic teachings of Orthodox Christianity. It has great attention to detail while bringing clarity to the full meaning and inferences of words, verses, and passages, offering an in-depth understanding of the Bible. Though detailed, it is not overly technical, making it one of the core books for ministers and laity alike. This four-volume set is well known for its scholarship and accurate understanding of the Scriptures. C. H. Spurgeon's opinion of the work was so great that he said it contains so great a variety of information that if a man had no other exposition, he would find himself at no great loss if he possessed and used it diligently. Some of its key features are: An introduction to each book of the Bible supplying a complete summary of the context; An in-depth understanding of the original biblical languages making comparison to modern language easy; Extensive cross-referencing throughout the text linking passages and their meanings; Exposition of words and phrases in boldface enabling quick definition; An easy-to-follow format. Published by Delmarva Publications, this handsome one-volume has all of the 9 volumes of the commentary included. It has an easy-to-read typeface and includes a well-organized layout providing ease of transition from passage to passage. Its interior style matches its cover, providing continuity and an attractive combination. All volumes have a linked table of contents to help you quickly and easily navigate to your desired scripture. It has been proofread many times to make it one of the most accurate e-text versions available. *A Commentary, Critical, Experimental, and Practical on the Old and New Testaments* Robert Jamieson (D.D.), 1870 *A commentary, critical and explanatory, on the Old and New Testaments, by R.
