**Who Is Jesus?** Jeffrey Hanson, 2014-11-07 The question of who is Jesus Christ has been a subject of much debate over the centuries Was he just a good man a teacher as some suggest or a prophet or was as He claimed to be the Son of God I try to tackle this in simplest of terms so as not to confuse but educate you on who this Jesus Is **Barstow Ben**

Johnston, 2000-01-01 *Who Is Jesus?* Lola S. Richey, 2012-05-31 Jesus The very name can cause some people to become panicky tense and uneasy Jesus is the central figure of the Christian faith If you are new to the Christian faith and want an excellent readable introduction to Jesus this book is for you If you already have knowledge of Jesus but you want a clearer understanding about Him this book is for you This book not only explains Jesus but it also informs you of the key issues surrounding Him and His time here on earth This book attempts to take the mystery and fear out of Jesus Readers will master the basic facts about Jesus life The overall objective of this book is that people everywhere learn to know and serve Jesus better In particular this book seeks to help individuals develop better knowledge and understanding of Jesus so that they will love Him more confidently and in the same fullness as others **God in Flesh** Daniel C. Lawry, Peter M.

Denio, 2012-03-17 Is Jesus God or not This is the ultimate question It is THE question This book is dedicated to a readable to the point and solid biblical case that Jesus is the Creator the Judge before whom all will give account the only One deserving of worship and the One and Only True God This is written in easy to understand language Yahweh sometimes pronounced Jehovah is the name for God in the Old Testament This book presents the top ten Bible passages which most clearly show that Jesus is Yahweh Answers are also given to common objections For example Why is Jesus called the Son of God if he IS God And Didn't Jesus say The Father is greater than I A fairly exhaustive appendix is included which lists the vast biblical evidence for the deity of Christ A Leader's Guide and Student Workbook are available Jesus Christ, The Supreme Sacrifice Brian Reid, 2017-01-23 This book contains a wealth of background information that will help you deepen your understanding and appreciation of all that Christ did on behalf of His people by His sacrificial death on the cross It will take you through the Old and New Testament with an in depth detail step by step procedure of the old covenant worship and sacrificial system prescribed by God and its rich cultural significance Some of the topic are the following the ritual of the sacrifices daily weekly and monthly sacrifices the feast of Passover Pentecost the Day of Atonement and others Also how offerings and sacrifices differed from each other understanding the role of the priest in the sacrificial offerings and worship of God understanding why God required the bloody killing of sacrificial animals This book provide a unique insight of the limitation of each one the those blood sacrifice individually and collective in the bible then will show the supremacy Jesus sacrificial death which fulfill every one of these sacrifice to the minute detail We will see in the book among many other things how the death of Jesus the Christ provide what the Levitical could not provide for us Some of the benefits discuss in the book is which is made available not only to the Jews but to all mankind are eternal life everlasting life forgiven and

washed of our sins redemption from the transgression partaking in a New and Better Covenant no more need for animal blood Hebrews 9 12 states Neither by the blood of goats and calves but by his own blood he entered in once into the holy place having obtained eternal redemption for us      To Adam About Adam Jim Frederick,2013-10-16 Modern scientific discoveries often challenge biblical teachings and the long held beliefs of many Christians To Adam about Adam is a serious yet lighthearted autobiography of the author who has known Jesus since his childhood but drifted for many years while on his quest for science Only while searching for answers to his sons question about Creation did the author find his way back to the Word of God Through his journey the author was able to bring his passion for science and love for God together into a more holistic understanding of Gods plan for mankind In a very personal way he uses an open bantering approach throughout the book to establish a friendly relationship with the reader This personal relationship is used to guide the reader through a number of biblical stories to show how God acted as both a loving and caring Father and as a scientist in teaching mankind lessons related to overcoming sin To Adam about Adam may improve the readers understanding of Gods plan for mankind and show how science is instrumental to that plan For example the author details how the fall of Adam and Eve was an important and preconceived part of Gods plan not merely perfection gone awry Science can explain the basis for the sin we see in the world today whereas the Bible describes the only cure Thus the Bible and science are both integral to the fulfillment of Gods plan      Jesus Christ Our Lord C. Norman Kraus,2004-08-06 In response to readers comments this revised edition provides helpful clarifications charts and expanded notes and references Kraus in a theological description of Jesus Christ offers answers to questions of Jesus identity and the nature of the revelation salvation which came through him This anticipates his volume God Our Savior dealing with implications of Christ s revelation for other data of theology such as God humankind the Holy Spirit church and eschatology For many years the idea of vicarious suffering to atone for the sins of humanity has not been self evident in Western culture to say nothing of the cultures of Asia Western theologians have presupposed Roman categories of guilt and legal penalty as the framework for their explanations However this has been unsatisfactory in cultures where social tradition and shame are primary moral sanctions Observing that the biblical cultural context was more oriented to shame than to a legal concept of guilt Kraus has reinterpreted the meaning and efficacy of the cross as the means of God s salvation Such a reinterpretation requires that one also reevaluate the theological definition of Jesus person How one understands what he did for us is closely related to how one understands who he was His identity and role mutually impact each other Thus one must ask Who was this one who reconciled us to God by suffering the shame of our sin In answer Kraus finds concepts of self identity and self revelation most helpful Jesus the self revelation of God to us is God giving himself to us That self revelation comes as a self giving and only in the form of a genuinely personal historical and human relationship In all of this the author intends to present an authentically biblical picture of Jesus but in the context of modern language and thought forms      *Letters to a Future Saint* Brad East,2024-10-01 An invitation to the Christian faith

his speculative penetration of the mystery of the Incarnation in the present volume enriched by a comprehensive knowledge of patristic scholastic and modern theology Matthias Joseph Scheeben preserves the mystery of Divine Revelation from attempts to naturalize it and the Church from the tendency to reduce it to a merely functional civil religion He proves that even on the highest level of rational reflection the believer can give to modern man an account for the hope that is in him of 1 Pet 3 15 which puts us in a position to clarify definitively our understanding of ourselves and of the world in light of the knowledge of God Cardinal Gerhard Müller Prefect Emeritus of the Congregation for the Doctrine of the Faith **How to**
