Who Killed Karkare:

Who Killed Karkare? S.M. Mushrif, Political violence or terrorism by State as well as by non State actors has a long history in India The allegation that sections of and individual Indian Muslims indulged in terrorism surfaced for the first time with the ascent of the Hindutva forces in mid 1990s and became state policy with the BJP s coming to power at the Centre With even secular media joining the role as stenographers of security agencies this became an accepted fact so much so that common Indians and even many Muslims started believing in this false propaganda This book by a former senior police officer with a distinguished career that included unearthing the Telgi scam peeps behind the propaganda screen using material mostly in the public domain as well as his long police experience It comes out with some startling facts and analysis the first of its kind to expose the real actors behind the so called Islamic terrorism in India whose greatest feat was to murder the Maharashtra ATS chief Hemant Karkare who dared to expose these forces and paid with his life for his courage and commitment to truth While unearthing the conspiracy behind the murder of Karkare this book takes a hard look at some of the major incidents attributed to Islamic terrorism in India and finds them baseless The Men Who Killed Gandhi Manohar Malgonkar, Pramod Kapoor, 2008-01-01 The Men Who Killed Gandhi by Manohar Malgonkar takes readers back into the pages of Indian history during the time of the partition featuring the murder plot and assassination of Mahatma Gandhi The Men Who Killed Gandhi is a spellbinding non fictional recreation of the events which led to India s partition the eventual assassination of Gandhi and the prosecution of those who were involved in Gandhi s murder This historical reenactment is set against the tumultuous backdrop of the British Raj Malgonkar s book is a result of painstaking research and from also having privileged access to many important documents and photographs related to the assassination There is no doubt that Mahatma Gandhi played a leading role in obtaining independence from the British But the problems that ensued afterwards such as the structural rebuilding of the country and the Partition led to many riots massive migrations and deep racial and cultural divides Not everyone agreed with Gandhi and his ideals As a result a plot to assassinate Gandhi was devised by six individuals named Narayan Apte Gopal Godse Madanlal Pahwa Digambar Badge and Nathuram Godse This was eventually carried out in New Delhi on the 30th of January 1948 Eventually these six individuals were tried and convicted Four of them received life sentences while two of them received the death penalty The first publication of The Men Who Killed Gandhi occurred in 1978 during the Emergency years As a result Malgonkar omitted many vital facts including Dr Ambedkar s role in minimizing Savarkar s criminal conviction This 11th edition of the text contains these omitted facts as well as rare documents and photographs obtained from National Archives After the four individuals who were convicted for Gandhi s murder completed their life sentences they were interviewed by Malgonkar These individuals revealed many details to him which were never known before The author also received access to the Kapur Commission from his friend Mr Nayar who was in the Indian Police Service As a result The Men Who Killed Gandhi is considered the most historically accurate account of

Her lucid and probing essays offer sharp insights on a range of matters from crony capitalism and environmental depredation to the perils of nationalism and in her most recent work the insidiousness of the Hindu caste system In an age of intellectual logrolling and mass manufactured infotainment she continues to offer bracing ways of seeing thinking and feeling Pankaj Mishra Time Magazine Praise for Arundhati Roy Arundhati Roy combines her brilliant style as a novelist with her powerful commitment to social justice in producing these eloquent penetrating essays Howard Zinn One of the most confident and original thinkers of our time Naomi Klein The scale of what Roy surveys is staggering Her pointed indictment is devastating The New York Times Book Review **RSS Primer** Shamsul Islam,2010 **Fabricating Homeland Security** Rhys Machold,2024-09-24 Homeland security is rarely just a matter of the homeland it involves the circulation and multiplication of policing practices across borders Though the term homeland security is closely associated with the United States Israel is credited with first developing this all encompassing approach to domestic surveillance and territorial control Today it is a central node in the sprawling global homeland security industry worth hundreds of billions of dollars And in the wake of the 2008 Mumbai terrorist attacks India emerged as a major growth market Known as India s 9 11 or simply 26 11 the attacks sparked significant public pressure to adopt modern homeland security approaches Since 2008 India has become not only the single largest buyer of Israeli conventional weapons but also a range of other surveillance technology police training and security expertise Pairing insights from science and technology studies with those from decolonial and postcolonial theory Fabricating Homeland Security traces 26 11 s political and policy fallout concentrating on the efforts of Israel s homeland security industry to advise and equip Indian city and state governments Through a focus on the often unseen and overlooked political struggles at work in the making of homeland security Rhys Machold details how homeland security is a universalizing project which seeks to remake the world in its image and tells the story of how claims to global authority are fabricated and put to work *Modi's India* Christophe Jaffrelot,2023-04-11 A riveting account of how a popularly elected leader has steered the world s largest democracy toward authoritarianism and intolerance Over the past two decades thanks to Narendra Modi Hindu nationalism has been coupled with a form of national populism that has ensured its success at the polls first in Gujarat and then in India at large Modi managed to seduce a substantial number of citizens by promising them development and polarizing the electorate along ethno religious lines Both facets of this national populism found expression in a highly personalized political style as Modi related directly to the voters through all kinds of channels of communication in order to saturate the public space Drawing on original interviews conducted across India Christophe Jaffrelot shows how Modi s government has moved India toward a new form of democracy an ethnic democracy that equates the majoritarian community with the nation and relegates Muslims and Christians to second class citizens who are harassed by vigilante groups He discusses how the promotion of Hindu nationalism has resulted in attacks against secularists intellectuals universities and NGOs Jaffrelot explains how the political system of India has acquired authoritarian features for other

reasons too Eager to govern not only in New Delhi but also in the states the government has centralized power at the expense of federalism and undermined institutions that were part of the checks and balances including India's Supreme Court Modi's India is a sobering account of how a once vibrant democracy can go wrong when a government backed by popular consent suppresses dissent while growing increasingly intolerant of ethnic and religious minorities *The Great Indian Conspiracy* Dr. Praveen Tiwari, 2019-03-18 Saffron terrorism Is it a fact Or is this a myth After all do we know enough The shocking blasts of Malegaon and Samjhauta were projected as saffron terrorism A new theory terrorist attacks were tainted as such till a few years later Kasab's confession offered solid proof of Pakistan's role in the 26/11 attacks Though the police had concluded a Pakistani hand for the earlier blasts it was saffron terrorism which prevented the perpetrators of these attacks from being brought to justice As a theory saffron terrorism is not just hurting Hindus sentiments but is also an obstacle to fight real terrorism sponsored by Pakistan and Islamic states The term was coined by the erstwhile UPA government to garner minority votes and manipulate the vote bank After all why were the Malegaon accused SIMI activists let off Why did certain politicians declare not to oppose their bail What was truly behind Aseem's confession The reliability of these confessions was questionable given the police brutality that the National Investigative Agency exposed Journalist Praveen Tiwari explores saffron terrorism and reveals through exclusive interviews of senior National Investigative Agency officials undercover agents and politicians how vote bank politics can compromise ethics and national security Should the real masterminds behind the blasts be allowed to go scot free Should the manipulators of the Samjhauta Express bombings not be held accountable Should we not investigate those who had exonerated Pakistan of its guilt An extensive research on communal politics the book offers indisputable evidence of the saffron terrorism theory as the Great Indian Conspiracy **How to Subvert a Democracy** Josy Joseph, 2022-08-25 India is a democracy at bay This compelling book puts the spotlight not on political leaders but on the murky workings of India's deep state from the police to the federal investigative and intelligence agencies Traversing the Mumbai train blasts the Kashmir insurgency the Gujarat war on terror and the Delhi riots Josy Joseph reveals corruption and political agendas running through the core of agencies that should ensure justice and accountability and shows how this has undermined democracy In 2020 amid the Covid-19 pandemic India's democratic pillars suffered another blow the arrest of activists dissidents and journalists opposed to Narendra Modi's government some on dubious charges others under stringent anti-terror laws Some contend that Modi has simply perfected the art of subverting a democratic state's security establishment bending it to his will With false arrests the overlooking of right-wing Hindu terror an establishment bias against Muslims and an unenviable human rights record that has often relied on extrajudicial killings or false testimonies India's domestic security institutions have become just another player in pursuit of power How did this happen And why does India the world's largest democracy often subvert the very ideals of democratic politics when dealing with security challenges *Who Killed Karkare?* S. Gandhi's Assassin Dharendra Jha, 2023-01-24 Dharendra Jha s deeply researched history places Nathuram Godse s life as the juncture of the dangerous fault lines in contemporary India the quest for independence and the rise of Hindu nationalism On a wintry Delhi evening on 30 January 1948 Nathuram Godse shot Gandhi at point blank range forever silencing the man who had delivered independence to his nation Godse s journey to this moment of international notoriety from small towns in western India is by turns both riveting and wrenching Drawing from previously unpublished archival material Jha challenges the standard account of Gandhi s assassination and offers a stunning view on the making of independent India Born to Brahmin parents Godse started off as a child mystic However success eluded him The caste system placed him at the top of society but the turbulent times meant that he soon became a disaffected youth desperately seeking a position in the infant nation In such confusing times Godse was one of hundreds and later thousands of young Indian men to be steered into the sheltering fold of early Hindutva Indian nationalism His association with early formations of the RSS and far right thinkers such as Sarvkar proves that he was not working alone Today he is considered to be a patriotic hero by many for his act of bravery despite being found guilty in court and executed in 1949 **Balasaheb**

Poles Apart Aditya Sondhi,2024-07-24 Is there a predominant reason why India is not Pakistan Many would likely point to the omnipresence of the military in the polity of the latter While the interventionist attitude of the army in Pakistan easily explains the democratic shortfall in its history the mirror opposite in India is rarely studied or credited Poles Apart is a unique and original investigation of the comparative roles of the military to study their influences on the growth of democracy in the two nations The book highlights the divisive outcomes of military coups on Pakistan s democratic trajectory while also closely analysing potential scenarios in India when the army could have gone astray but chose to stay apolitical Disgrace at the hands of China in 1962 the Emergency and Operation Blue Star among others make for fascinating case studies of how the army was treated shabbily but still remained politically disinclined On the other hand the overarching presence of Field Marshal Ayub Khan General Yahya Khan General Zia ul Haq and General Pervez Musharraf in the Pakistani political space represent a very different set of choices and interventions A crisp chapter on Bangladesh and its experiments with democracy and martial rule rounds off the deeply researched study
