Who R U Really Margo Kelly:

Who R U Really? Margo Kelly, 2014-08-01 Thea's overprotective parents are about to drive her nuts. They invade her privacy, ask too many questions, and restrict her online time so much that Thea feels she can't do any of the things her friends do. She barely has time to answer her emails. When she discovers a new role-playing game online, Thea breaks the rules by staying up late to play. Soon she's living a double life: on one hand, the obedient daughter; on the other, a girl slipping deeper into darkness. In the world of the game, Thea falls under the spell of Kit, an older boy whose smarts and savvy can't defeat his near-suicidal despair. As Kit draws soft-hearted Thea into his drama, she creates a full plate of cover stories for her parents and then even her friends. Soon Thea is all alone in the dark world with Kit, who worries her more and more but also seems to be the only person who really gets her. Is he frightening or only terribly sad? Should Thea fear Kit or pity him? And now Kit wants to come out of the screen and bring Thea into his real-life world. As much as she suspects that this is wrong, Thea is powerless to resist Kit's allure and hurtles toward the very fate her parents feared most. Ripped from a true-life story of Internet stalking, *Who R U Really* will excite you and scare you as Thea's life spins out of her control. Unlocked Margo Kelly, 2016-10-01 Hannah is losing it. Everything. Her friends, her life, and probably her mind. Bugs crawling over her hands made her wreck the car and cause her friend's death, but were the bugs even real? Is someone moving Hannah's things around, or is she imagining it? Why does her brain feel as though she's not controlling it? She's probably headed for a useless life in and out of the locked ward like her dad. In desperation, she reaches out when the school's self-proclaimed occult expert offers to help, and through this supposedly weird kid, Hannah discovers shocking news that could mean she really is going crazy or that someone is misusing a terrible power. Digital Citizenship in Twenty-First-Century Young Adult Literature Megan L. Musgrave, 2016-10-11 This book is a study of the evolving relationships between literature, cyberspace, and young adults in the twenty-first century. Megan L. Musgrave explores the ways that young adult fiction is becoming a platform for a public conversation about the great benefits and terrible risks of our increasing dependence upon technology in public and private life. Drawing from theories of digital citizenship and posthuman theory, *Digital Citizenship in Twenty-First-Century Young Adult Literature* considers how the imaginary forms of activism depicted in literature can prompt young people to shape their identities and choices as citizens in a digital culture. Cyborg Saints Carissa Smith, 2019-09-02 Saints are currently undergoing a resurrection in middle-grade and young-adult fiction. As recent prominent novels by Socorro Aciole, Julie Berry, Adam Gidwitz, Rachel Hartman, Merrie Haskell, Gene Luen Yang, and others demonstrate, *Cyborg Saints: Religion and Posthumanism in Middle-Grade and Young-Adult Fiction* makes the radical claim that these holy medieval figures are actually the new cyborgs. In that they dethrone the autonomous subject of humanist modernity, while young people navigate political and personal forces as well as technologies that threaten to fragment and thingify them, saints show that agency is still possible outside of the humanist construct of subjectivity. The saints of these neomedievalist novels, through living a life

vulnerable to the other attain a distributed agency that accomplishes miracles through bodies and places and things relics icons pilgrimage sites and ultimately the hagiographic text and its reader spread across time Cyborg Saints analyzes MG and YA fiction through the triple lens of posthumanism neomedievalism and postsecularism Cyborg Saints charts new ground in joining religion and posthumanism to represent the creativity and diversity of young people's fiction **The Seventh Sun**
