## Who Is Barack Obama Book:

*The Here & Now Reproducible Book of Barack Obama* Carole Marsh, 2008      Barack Obama Coloring Book Gary Zaboly, 2009-05-01 Follow Barack Obama's extraordinary journey to the White House with 30 handsome illustrations and captions that mark significant events in his life from his childhood education and marriage to his historic victory as the 44th President      *Barack Obama* John K. Wilson, 2016-01-08 Barack Obama is quickly becoming America's most popular politician and his run for the presidency has brought huge crowds at home and an unprecedented wave of international attention as well. Much more than a biography, this book is a political tour of Obama's legislative experience as well as his ideas about race, religion, and politics. Political writer John K. Wilson, author of four previous books including a study of Newt Gingrich, explores the reaction Obama has received from the left, the right, and the media. As the first presidential candidate from Generation X, Obama has generated an exciting movement of young people to support his campaign as he defines a new kind of broadly popular progressive politics. As improbable as such a quest may be, this fresh new candidate may be just the right one to bridge not only generations but ideologies that often divide. Amid all the hype surrounding Obama, this book provides the first in-depth look at what he believes, what he represents, and how he might transform American politics.      **Barack Obama** Nikki Grimes, 2008-08-26 Nikki Grimes's lyrical text and Bryan Collier's distinctive collages tell the inspirational story of Barack Obama. Raised in Jakarta and Hawaii, Obama has become a force for social change. Like JFK and Martin Luther King, Obama is a link in the long chain of people who have fought so that the United States fulfills the promises upon which it was founded. Just as the baton has been passed to Obama from previous leaders, Obama is already a role model for the young people who will one day assume the mantle of leadership.      Barack Obama Don Nardo, 2010 Biography of Barack Obama, the 44th president of the United States      The Education of Barack Obama James T. Kloppenberg, 2012-05-06 If you really want to know what makes Barack Obama tick, you need to understand his education. James T. Kloppenberg explains the rich American intellectual tradition that shapes Obama's beliefs and influences his actions, particularly his aversion to absolutes and his commitment to compromise. This look at Obama's education is a deeply rewarding education in itself. conservative America there is the United States of America There is not a Black America and a White America and Latino America and Asian America there s the United States of America But as his latest memoir A Promised Land makes clear Obama inhabits a smug elite liberal America in which conservatives are not welcome Indeed from Obama s perspective their every thought gesture and vote is insincere and likely racist Although the Obama memoir is obsessed with race Obama as president and as writer has refused to address the one problem he knew to be at the heart of America s racial divide the disintegration of the black family While Obama and his peers have profited from the opportunities America offers his lack of courage has doomed the black inner city to another generation of crime drugs and educational failure To divert attention from his own failure Obama has cast the right as the other in his ongoing melodrama driving a wedge between black and white that will take generations to heal

The Presidential Campaign of Barack Obama Dewey M. *Barack Obama* Libby Hughes, 2008. Traces the life and times of the senator from Illinois and 2008 Democratic nominee for president through his youth, education, and adult careers as organizer, educator, and politician. *The Case Against Barack Obama* David Freddoso, 2008-08-04. The Case Against Barack Obama by National Review's David Freddoso blasts Obama for failing to take on the Chicago machine, for listening to radical advisors, and for backing doctrinaire liberal causes from teachers' unions to abortion rights. It does not, however, compare him to Paris Hilton or dwell at length on his religion or race, making the substance of *The Case Against Barack Obama* sound unfamiliar amid a campaign cacophony of hyperbolic web ads, alleged race cards, and viral smears. Freddoso says John McCain's campaign and Republicans at large are making the wrong case against the Illinois senator. You don't beat him by comparing him to Paris Hilton, as McCain's latest advertising campaign did. The more important thing is really to look at who he is. Is he really a great reformer? Or just another liberal?

The Obama Revolution Alan Shaffer, 2012-02-01. How did the Obama campaign's mostly under-30 field organizers, using cell phones and the Internet, energize a nation to vote for change? How did an unlikely candidate engage every American in the democratic process and ignite a movement that ended eras of political cynicism and apathy? *The Obama Revolution* is an in-the-trenches look at how President Barack Obama mobilized a generation to reclaim America. Author Alan Kennedy Shaffer draws a vivid picture of grassroots organizing, from the grueling all-nighters to the endless canvassing. His rhetorical analysis also explores what exactly Obama did to clinch the Democratic nomination and how he won the election. Painstakingly documented and insightful, *The Obama Revolution* is a must-read for anyone Democrat, Republican, or Independent who wants to understand the phenomenon of Barack Obama and how his campaign toppled the status quo. The Scandalous Presidency of Barack Obama Matt Margolis, 2018-04-03 I'm proud of the fact that we're probably the first administration in modern history that hasn't had a major scandal in the White House So President Barack Obama boldly declared before leaving office and numerous times since But is it true Not according to Matt Margolis bestselling co-author of *The Worst President in History* *The Legacy of Barack Obama* Margolis lays out the details of literally dozens of Obama administration scandals that have been ignored downplayed or covered up by the mainstream media From Fast and Furious to the illegal IRS targeting of conservative groups to the recent NSA spying outrage Margolis makes a powerful case that the Obama years represented nearly a decade of lawless and abusive governance While Obama and his allies attempt to spin the narrative that his presidency represented a time of pristine politics it's critically important that Americans understand the truth Barack Obama brought to Washington corrupt Chicago machine politics of cronyism and corporate payoffs combined with audacious Alinskyite tactics aimed at dividing Americans and destroying his opponents Obama's legacy will be discussed and debated for decades But in the early months after he left office more scandals have been uncovered most notably an illegal scheme of using the NSA to spy on his political opponents and the frightening decision to block the prosecution of Iranian backed terrorists Far from being a virtuous New Camelot the Obama administration abused its power like few others
