## **Whole Foods Pecan Pie Cookie Recipe:**

**Naturally Keto** Brenda Bennett, 2019-10-29 The ketogenic diet is on the rise and for good reason. It's one of the fastest ways to not only lose weight and keep it off but also reduce brain fog, increase mental clarity, balance hormones, and blood sugar levels, increase energy levels, reduce inflammation, and eliminate sugar and carb cravings. Whether you're just trying to remove sugar from your life or you're learning to eat low carb or even if you've been doing keto for a long time, *Naturally Keto* brings you recipes that will satisfy and inspire you. Even a novice cook can make these dishes with nothing too complicated or fancy and no hard-to-find ingredients. This book provides keto-friendly family meals that everyone will love, even the picky eaters. Brenda Bennett, the popular food blogger behind *Sugar Free Mom*, knows what it's like to struggle with sugar and carb addiction and what it's like to do keto alone without her husband or children following the diet. She's found freedom in the keto lifestyle and the ability to make recipes the whole family will eat without needing to make separate meals for yourself. *Naturally Keto* includes over 125 recipes from breakfast to desserts, many dairy-free and nut-free, as well as a four-week meal plan, a beginner's guide to starting keto, tips on dealing with a reluctant spouse and dining out, kitchen essentials, and foolproof recipes for entertaining a non-low-carb crowd. This book features something for everyone, no matter what your taste or dietary need. It includes 50 plus dairy-free recipes and many more with dairy-free options, 75 egg-free recipes. Over 115 recipes that are nut-free.

**Raw Cookies** Julia Corbett, 2014-10-07 *Raw Cookies* presents sixty recipes for tasty, superfood-packed raw cookies, ideal for raw foodists, those on a gluten-free diet, and anyone wanting to follow a more health-conscious lifestyle. Using a base of nuts and fruits and incorporating superfoods and adaptogenic herbs such as chaga, chia seeds, and goji berries, these treats are perfect for those wanting to sneak some healthy foods into their or their family's diet. Corbett skillfully pairs flavors in order to create unique yet familiar combinations. Her popular *Lucuma Cookie Bites*, for example, take advantage of the maple-like flavor of lucuma, a South American fruit, to create a raw treat that tastes remarkably like maple shortbread but also packs a powerful punch of niacin, iron, and beta-carotene. Recipes are grouped into categories by base ingredient in each section. Corbett provides a base recipe readers can use to improvise and create their own favorite superfood combinations. Beautiful full-color photographs accompany each easy-to-follow recipe, which require little prep work and no dehydrator or other specialty equipment. Eating healthy has never been so delicious.
