Vicious Bryan W. Alaspa, 2015-01-08 IT WAS SUPPOSED TO BE A QUIET RELAXING WEEKEND GETAWAY The cabin is not deserted It is the summer retreat of Jeremy Liden an author who has just started to taste the fruits of success and the good life which includes the summer cottage in Wisconsin The same weekend Jeremy and his friends decide to get away from it all two dogs seek shelter beneath the summer house porch Two dogs who have been trained to fight Trained to Attack Trained to kill What Jeremy and his friends find at the house is sheer snarling terror and as things get desperate they begin to wonder if they will ever get out alive Nature made these dogs but man made them VICIOUS *Fractured* Bryan W.

Alaspa, 2015-01-08 Deklan Falls private investigator and former cop is sober for the first time in a long time These days he's a millionaire but also still works for the D A's office in the Ohio city of Oldtowne He works to try and clean up the police force while also hoping to stop the coming gang war that threatens to destroy the city It's a tough life but he likes it that way Now a billionaire industrialist is bringing the process known as fracking to Oldtowne with the promise of jobs and prosperity Not everyone is happy about that and the earthquakes Oldtowne has been having seem to indicate they might have reason to not be happy Threats have been made and the D A wants Deklan Falls to figure out who's threatening and why Then someone ends up dead Deklan soon finds that as per usual nothing is clear cut in Oldtowne Oldtowne is far more dangerous than even he imagined and the people running it are more dangerous than the gangsters he's been worried about It's a battle for the soul of Oldtowne as Deklan battles his own demons **Mythos** Bryan W. Alaspa, 2015-01-08 A private detective secure in his beliefs in how the world works has his life shattered the day his former partner is found dead The police say it's a suicide but he knows different Against the wishes of the cops he starts to ask questions He soon finds himself lost in a world of cults murder and ancient evil The world as we know it is about to change And the detective wonders if he will be able to figure out why his friend died and still hold on to his sanity An ancient evil is about to surface in 21st century society Who will be left alive

Sabotage Bryan W. Alaspa, 2015-01-08 In October of 1933 a plane carrying seven people exploded and crashed over Chesterton Indiana on its way to Chicago killing all on board The crash shocked the small community of Chesterton but what really shocked the country was the revelation that it was a bomb that brought the plane down The airline industry was new and the news of a bomb was potentially disastrous to an industry that was still trying to prove itself safe to a skeptical public and that was also experiencing labor problems with its pilots and mechanics The man in charge of the investigation as none other than Melvin Purvis the G man in charge of the Chicago FBI office and the man who would become a superstar for bringing down John Dillinger However what no one knew was that pressure from J Edgar Hoover to capture bank robbers and gangsters plus Hoover's petty jealousy over the increasing popularity of Purvis made life in the Chicago FBI office a living hell as Purvis and his men juggled dozens of cases while also trying to find a culprit in the Chesterton plane bombing It is a mystery that remains to this day but hardly anyone knows about it For the first time author Bryan Alaspa explores the

FBI files presents the evidence the investigators found and presents the story of what was happening behind the scenes at the FBI For the first time the story of the Chesterton Crash is told Today we would say that the incident was the first case of terrorism against a commercial airliner Back then they just called it SABOTAGE **The Dead Phone** Bryan W.

Alaspa,2015-01-08 Warren Hollis is a seasoned true crime writer He likes to submerge himself in the local culture when he writes so he packs his essentials and heads to Knorr Pennsylvania It s a tiny town in western PA the kind of town most people on their way to Pittsburgh or New York would drive right past It s a town full of friendly smiling people but it hides a dark past Years ago a man began sneaking into the bedrooms of young girls and taking them under the cover of night Days later a grisly calling card would be left for the families to find He became known as The Boogeyman and the rural town of Knorr and the surrounding communities have done all they can to forget those terrible days when no one was safe not even when nestled into their own beds Warren arrives and starts asking questions He stays in a small cabin just outside of town It s a nice place exactly what he s looking for There s just one strange thing a big heavy black phone at the top of the stairs It s not connected to anything The phone is just a decorative hold over from the party line days Something about it disturbs Warren the way something about Knorr disturbs him as well Someone is hiding something about The Boogeyman Then the killing starts again And in the middle of the night a phone that should never be able to ring begins to do just that **Flashpoint**

Bryan W. Alaspa,2015-01-08 What you have here is an experiment A curious collection of short stories all under 1 000 words flash fiction In many cases these are potential novels novellas and longer works from the author s notebooks and that have been shaped into complete albeit short works in this collection Some of the stories were created just for this collection and many of them dealing with the end of the world horror mysteries and more According to author Bryan Alaspa this is a collection like you might find in a musical box set where you find a special CD containing B sides alternate takes and outtakes In this case the author says this is a true peek into his creative process and the works that many times become his novels
