**Why Are We So Angry?** Alfred R Washington, 2023-05-22 This book is filled with a number of actual traumatizing experiences in Alfred and Joyce's life. We for the last thirty five years have had individual group and marriage counseling. The result of all of our trauma has leaked into our marriage. We find ourselves still processing the pain from the sins committed against us. Just because we have forgiven those who have hurt us does not mean we have forgotten what happened to us. Our minds are like computers; it takes our thoughts and experiences and stores them in our subconsciousness. Recently we were blessed to be able to go over the Rwanda to participate in a Rwanda Mission Conference on teaching husbands and wives how to become one. The trip to Africa helped us realize how fortunate we are to be citizens of the United States of America no matter how imperfect the United States of America is. Hallelujah.

**Why Am I so Angry?** Helen Gerondis, 2013-08-22 This book is about my search for the truth about what caused or contributed to my life long weight problem. In spite of my consulting doctors, nutritionists, psychiatrists, psychologists, psychotherapists, joining Weight Loss organizations and trying numerous diets, nothing had worked. Because my lecturer in his feedback on one of my assignments in a counselling course said if I spent as much time looking at the Inside Helen as I had on the outside Helen, The weight may come off and stay off. I did as he suggested by writing this book. I looked at myself as a Greek Australian baby, schoolgirl, adolescent and adult. I connected with feelings I had previously suppressed or repressed. I discovered information about eating disorders and the brain which led me to the confronting but liberating realisation that since childhood I had an undiagnosed Binge Eating Disorder. Later I found this could have been the result of forgotten trauma which had alienated me from myself and other people. Finding the truth and reconciling myself to the past has freed me from eating compulsively. My weight is within the normal BMI range and I weigh less now than I did as a child of eleven.
