What Is Our Net Worth in the Eyes of God? Ruben C. Martinez,2024-06-07 So many individuals go through

life while never putting a thought to the value God puts on each and every one of us For that matter many don t even put a value on themselves at all It was after interviewing many people and challenging them with the question What is our net worth in the eyes of God that I realized that most people didn t know how to answer this question Most of the answers varied depending on the very diversified lives of every individual This book is intended to help open our eyes and minds to a point that we can realize our worth in the eyes of God to a point that we will know how much we are worth to God first but then to ourselves That because we are created by God we are unique and special We must be prepared to make changes and learn to prioritize our lives Instead of being followers be pioneers We are very valuable in the eyes of God **American**
