Why We Broke Up Daniel Handler, Maira Kalman, 2011-12-19 Min Green and Ed Slaterton have broken up so Min is writing Ed a letter and giving him a box Inside the box is why they broke up A movie ticket from their first date a comb from the motel room they shared and every other memento collected over the course of a giddy intimate heartbreaking relationship Item after item is illustrated and accounted for and then the box like a girlfriend will be dumped **Why We Broke Up** is a sincere and moving portrait of first love first heartbreak and all the firsts in between Min's smart sharp devastatingly honest voice is one of the most memorable in contemporary young adult literature Gender(ed) Identities Tricia

Clasen, Holly Hassel, 2016-08-25 This volume brings together diverse cross disciplinary scholarly voices to examine gender construction in children's and young adult literature It complements and updates the scholarship in the field by creating a rich cohesive examination of core questions around gender and sexuality in classic and contemporary texts By providing an expansive treatment of gender and sexuality across genres eras and national literature the collection explores how readers encounter unorthodox as well as traditional notions of gender It begins with essays exploring how children's and YA literature construct communities formed by gender ethnicity sexuality and in face to face and virtual spaces Section II's central focus is how gendered identities are formed unpacking how texts for young readers ranging from Amish youth periodicals to the blockbuster Divergent series trace reproduce and shape gendered identity socialization In section III the essential literary function of translating trauma into narrative is addressed in classics like Anne of Green Gables and Pollyanna as well as more recent works Section IV's focus on sexuality and romance encompasses fiction and nonfiction works examining how children's and young adult literature can serve as a regressive progressive and transgressive site for construction meaning about sex and romance Last Section IV offers new readings of paratextual features in literature for children from the classic tale of Cinderella to contemporary illustrated novels The key achievement of this volume is providing an updated range of multidisciplinary and methodologically diverse analyses of critically and commercially successful texts contributing to the scholarship on children's and YA literature gender sexuality and women's studies and a range of other disciplines **Coping with Breakups and Jealousy** Tamra Orr, 2017-07-15 As children mature into teenagers they develop connections beyond friendship with peers Navigating romance is tough while breakups can be demoralizing Jealousy can cloud relationships that have ended but also ones that are just beginning or going strong This book

helps teens with the sometimes intense emotions surrounding getting together and splitting up empowering readers to solve their problems constructively with empathy and to seek help from others when necessary Special attention is paid to the lived experiences of digital natives whose heartbreaks and joys are amplified for better and for worse via social media texting and apps

(Re)imagining the World Yan Wu, Kerry Mallan, Roderick McGillis, 2013-06-18 Re Imagining the world Children's Literature's Response to Changing Times considers how writers of fiction for children imagine the world not one universal world but different worlds imaginary strange familiar even monstrous worlds The chapters in this collection discuss how fiction for children engages with some of the changes brought about by new technologies information literacy consumerism migration politics different family structures cosmopolitanism new and old monsters They also invite us to think about how memory shapes our understanding of the past and how fiction engages our emotions our capacity to empathise and our desire to discover and what the future may hold The contributors bring different perspectives from education postcolonial studies literary criticism cultural studies childhood studies postmodernism and the social sciences With a wide coverage of texts from different countries and scholarly and lively discussions this collection is itself a testament to the power of the human imagination and the significance of children's literature in the education of young people Teaching Comics Through Multiple Lenses Crag Hill, 2016-08-05 Building off the argument that comics succeed as literature rich complex narratives filled with compelling characters interrogating the thought provoking issues of our time this book argues that comics are an expressive medium whose moves structural and aesthetic may be shared by literature the visual arts and film but beyond this are a unique art form possessing qualities these other mediums do not Drawing from a range of current comics scholarship demonstrating this point this book explores the unique intelligence's of comics and how they expand the ways readers engage with the world in ways different than prose or film or other visual arts Written by teachers and scholars of comics for instructors this book bridges research and pedagogy providing instructors with models of critical readings around a variety of comics

shards to understand human thought I studied poetry I wasn't disappointed everywhere poets have described the emotional fallout produced by the brain's eruptions The rapper Rhymefest attests to the self-actualizing power of poems Words can create worlds and I've discovered that poetry can not only be read but also lived out My life is a poem Musician Neko Case calls poetry a delicate pretty lady with a candy exoskeleton on the outside of her crepe paper dress And music critic Alex Ross tells us that he keeps a paperback of *The Palm at the End of the Mind* by Wallace Stevens on his desk next to other more utilitarian books like a German dictionary a King James Bible and a Mac troubleshooting manual Contributors also include Ai Weiwei Christopher Hitchens Kay Redfield Jamison Lynda Barry and more The diversity of the authors results in an exceptionally broad range of topics and perspectives Many of the contributors also tell intimate stories about poetry's place in their personal lives Sasaki and Share have chosen these pieces well Publishers Weekly Funny moving and inspiring The Australian **And Then? And Then? What Else?** Daniel Handler, Lemony Snicket, 2024-05-21 This erudite vulnerable funny and idiosyncratic book ranks among his best James Kennedy Wall Street Journal Writing as Lemony Snicket Daniel Handler has led several generations of young readers into that special and curious space of being hopelessly lost and joyfully finding yourself in the essential strangeness of literature The wondrous and perilous journey of the Baudelaire orphans sprung from the author's own path from his childhood discovery of Baudelaire's poetry through the countless peculiarities of his pursuit of a literary life abject failure and startling success breakthrough and breakdown concordance and controversy lit along the way by the books and culture he loved best At once a personal memoir and a literary exploration a how-to book and a critical inquiry a sequence of stories and a series of events *And Then And Then What Else* is a book not just for anyone curious about the creator of Lemony Snicket but for anyone who loved books when they were a child and still loves them now

Lemony Snicket Chris Bowman, 2017-01-01 The title of Lemony Snicket's most famous collection *A Series of Unfortunate Events* is far from a fitting description of the author's life Snicket has been fortunate enough to sell more than 60 million copies of his books worldwide This life story of one zany writer will amuse curious readers *Portrait of the Artist as a Young Adult* Lois Thomas Stover, Connie S. Zitlow, 2013-10-30 Young adults often struggle with confusion or guilt because they perceive themselves as different from others especially their peers For some of these individuals the arts can help them cope with adolescent turmoil allowing them to express their emotions in poems stories painting songs and other creative outlets Sensitive teachers and parents know how important it is for young people to realize that they are not alone in their quest for self-knowledge and finding their way in the world It can make a difference when readers find something in a book that helps them understand more about who they are and helps them understand others In *Portrait of the Artist as a Young Adult* The Arts in Young Adult Literature Lois Thomas Stover and Connie S Zitlow examine books in which the coming of age for young adults is influenced by the arts Stover and Zitlow consider the connection between the arts and a young person's developing sense of self the use of art to cope with loss and grief and how young adults can use art to foster

catharsis and healing The young people in these books either identify as artists or use the arts in intentional ways to explore their identities They often have artistic gifts that make them stand outside the norms of teenage life yet those gifts also help them find a sense of community Artists considered in this book include painters photographers sculptors actors directors choreographers dancers composers musicians graffiti artists and others The books discussed also explore the ways adults can nurture the artist s development and understand the way young people sometimes use the arts to form their unique identity Included is an annotated bibliography organized by art discipline as well as an appendix about using the arts pedagogically making Portrait of the Artist as a Young Adult a valuable resource for educators parents librarians and young adults
