**Love, Desire and Transcendence in French Literature** Paul Gifford, 2016-12-05 European literature and theory of the twentieth century have been intensely preoccupied with questions of Desire whereas love has increasingly represented a fractured and strange if not actually suspect proposal this is a prime symptom of an age of deep cultural mutation and uncertainty Paul Gifford's book allows this considerable contemporary phenomenon to be observed steadily and whole with strategic understanding of its origins nature and meaning Gifford paints a clear and coherent picture of the evolution of erotic ideas and their imaginary and formal expressions in modern French writing He first retraces the formative matrix of French tradition by engaging with five classic sources Plato's Symposium the Song of Songs the myth of Genesis the tension between Greek Eros and Christian Agape and the repercussions of Nietzsche's declaration of the death of God Modern variations on these perennial problematics are then pursued in ten chapters devoted to Proust Valéry Claudel Breton Bataille Duras Barthes Irigaray Emmanuel Kristeva Literary and theoretical perspectives are perfectly blended in his study of these attempts at deciphering Eros The book will appeal not only to students of French literature but to all those interested in the cultural upheavals of the twentieth century

**States of Desire** Vicki Mahaffey,1998 States of Desire argues that what people desire is fundamentally connected to how they write and read Not only do language and narrative shape desire and vice versa but because these processes are socially conditioned some political circumstances such as those present in Ireland at the turn of the century foster experimental desire more successfully than others Mahaffey s contribution to the critical discourse on literary modernism is to assign a political motive to the art of modernist wordplay in doing so she offers a more compelling and socially driven version of the oft told tale of literary modernism From C to C Dr. Richard Kimball,2015-01-31 This book is an overall memoir about the life of Dr Richard Kimball It mainly covers his ten years in Africa from 1961 to 2011 but also includes the time in his life from 1939 to the present Dr Kimball has traveled all over the world to 103 countries and has worked in many of them **Horror** Darryl Jones,2021 Fear is one of the most primal emotions and one of the hardest to reason with and dispel So why do we scare ourselves Delving into the darkest corners of horror literature films and plays Darryl Jones explores its monsters and its psychological chills discussing why horror stories disturb us and how they reflect society s taboos **Dialectic of Enlightenment** Max Horkheimer,Theodor Adorno,2016-09-06 Theodor Adorno and Max Horkheimer

are the leading figures of the Frankfurt School and this book is their magnum opus Dialectic of Enlightenment is one of the most celebrated works of modern social philosophy that continues to impress in its wide ranging ambition Writing just after the Second World War and reflecting on the bureaucracy and myths of National Socialism and the inanity of the dawn of consumerism Adorno and Horkheimer addressed themselves to a question which went to the very heart of the modern age why mankind instead of entering into a truly human condition is sinking into a new kind of barbarism Modernity far from redeeming the promises and hopes of the Enlightenment had resulted in a stultification of mankind and administered society characterised by simulation and candy floss entertainment Tracing humanity s modern fall to the very rationality that was to be its liberation the authors exposed the domination and violence that underpin the Enlightenment project **Bollywood**

And yet in his presence she feels something she hasn't in years Safe But safety is an illusion Because when Abbie's fated mate appears a man who will stop at nothing to claim her she must decide Trust the man who terrifies her Or submit to the one who swears she belongs to him Sometimes the worst mistake is choosing wrong
