perceived as a vanishing record its archive a hoard of materially unsound temporally fragmented politically fraught and endangered documents Colonial Revivals traces the labors of a nineteenth century cultural network of antiquarians bibliophiles amateur historians and writers as they dug through the nation's attics and private libraries to assemble early American archives The collection of colonial materials they thought themselves to be rescuing from oblivion were often reprinted to stave off future loss and shore up a sense of national permanence Yet this archive proved as disorderly and incongruous as the collection of young states themselves Instead of revealing a shared origin story historical reprints testified to the inveterate regional racial doctrinal and political fault lines in the American historical landscape Even as old books embodied a receding past historical reprints reflected the antebellum period's most pressing ideological crises from religious schisms to sectionalism to territorial expansion Organized around four colonial regional cultures that loomed large in nineteenth century literary history Puritan New England Cavalier Virginia Quaker Pennsylvania and the Spanish Caribbean Colonial Revivals examines the reprinted works that enshrined these historical narratives in American archives and minds for decades to come Revived through reprinting the obscure texts of colonial history became new again deployed as harbingers models reminders and warnings to a nineteenth century readership increasingly fixated on the uncertain future of the nation and its material past
