**Wifey** Kateri Young,2015-01-23 I have always wanted love As a little girl I thought about my knight in shining armor Oh wait scratch that I have always thought about the woman that would eventually become my wife and share the rest of my life with me Along the way I found a few hopefuls that turned into duds But in my search I have made some great friends Since as far back as I can remember it has been the three stooges Breana my lover Sabreana my bodyguard and myself Malicia the hopeless romantic Yes these girls and I have been through so much in our lives But our friendship has never wavered We all met in elementary school and remained friends throughout college Shoot I forgot to mention that we picked up a stray in college Her name is Jalisa I fell in love with her at first sight but of course she was straight So she became my little sister I actually became her protector Imagine that me someone s protector That is too funny Anyway this story is about us The educated Contract Killers also known as the Ghost Squad We wanted to share where we come from and how we ended up becoming killers for hire Many people stay on the straight and narrow in life Well we did but we also choose the forbidden path also So sit back and get to know us on a personal level as we tell you all about us And in a later book I will take you into the darker world of the contract kills we did
