masculinity using Anabaptist theological themes of discipleship community and peace As a collaborative project by men for men this book demonstrates through personal narratives theological reflection and practical guidance the importance of collective discernment accountability and mutual encouragement regarding how to live as a peaceful man in a violent world

book is raw honest and intimate in its content and should cause those who read it to search within themselves and find faith and belief to move from where they are to greater things no matter what their past or present situation The author s following favourite quote by President Theodore Roosevelt captures the essence of how he tries to live his life It is not the critic who counts not the man who points out how the strong man stumbles or where the doer of deeds could have done them better The credit belongs to the man who is actually in the arena whose face is marred by dust and sweat and blood who strives valiantly who errs who comes short again and again because there is no effort without error and shortcoming but who does actually strive to do the deeds who knows great enthusiasms the great devotions who spends himself in a worthy cause who at the best knows in the end the triumph of high achievement and who at the worst if he fails at least fails while daring greatly so that his place shall never be with those cold and timid souls who neither know victory nor defeat *Disciples of White Jesus* Angela Denker,2025-03-25 White boys and men are dangerous White boys and men are struggling Both of these statements are staggeringly true in America today By far most large scale mass shooters are white men White men also die by suicide more often than any other demographic In this sensitive searing and unsparing look at American boyhood journalist mother and pastor Angela Denker investigates the sometimes tragic stories of boyhood across the United States *Disciples of White Jesus* is a comprehensive look at the rise in radicalization among young white men in America especially focused on the role of right wing Christianity in the increase of religious based hatred and violence Denker goes deep into the online rabbit holes of right wing Christian influencers and conservative Christian ideology to understand how the preaching of traditional gender roles and submission of women has led to anger outrage loneliness depression and limiting identities for young white Christian men across America Casting her journalist s eye across the US Denker retraces the steps of a racist South Carolina mass shooter and a Phoenix skinhead turned Evangelical pastor interviews middle school teachers and coaches in the Midwest and introduces us to young men across the country who will both confirm and confound our ideas about American boyhood stories about boys and men who are forging new identities grounded in kindness grace respect and even joy A must read for parents grandparents educators coaches faith leaders researchers and all who care about the state of American families boys themselves and the safety of American society at large **The Way of the Wild Heart** John Eldredge,2006-11-12 This is a book about how a boy and a man becomes a man It s a guide to the process of masculine initiation that ancient path every boy and man must take if they would become the man they long to be The path whereby they come to know they are a man and are able to live and love from a deep centered strength We live in a time where most men and boys are essentially fatherless Whatever their circumstance they have no man actually taking them through the many adventures trials battles and experiences they need to shape a masculine heart within them They find themselves on their own to figure life out and that is a lonely place to be Their fears anger boredom and their many addictions all come out of this fatherless place within them a fundamental uncertainty in the core of their being But there is a

way We aren't meant to figure life out on our own says John Eldredge God wants to father us In *The Way of the Wild Heart* Eldredge reveals how God comes to a man and takes him on the masculine journey how nearly all the events of a man's life can come together to provide the initiation he never received And how parents can offer that initiation to their sons Whatever your age may be your Father is ready to take up your journey For you are his son **The Responsive Marriage** Donald W. Welch Ph.D. M.S. LMFT, 2023-11-20 When you marry your heart overflows with enthusiasm exhilaration and optimism You can't wait to start a new life with this one whose mere presence or voice causes an abundance of feel good neurotransmitters to flood your brain But soon after differences in temperament gender family of origin and marital expectations collide You discover that the characteristics and behaviors you once found attractive in your mate are now sources of irritation and frustration Conflict erupts causing reactivity in your temperament to surface more often Before long your dialogue degrades with frequent accusations and debates about perspective In *The Responsive Marriage* Dr Donald W Welch shows you the enemy in this fight isn't your spouse Unmanaged reactivity those involuntary and unregulated reactive messages you inadvertently send your spouse when you're triggered is the culprit Using practical tools and methods sound biblical principles and scientifically verified practices he teaches you to recognize reactivity understand its origin and work together to eliminate it Imagine a marriage with these characteristics No fights Full choice and voice expression Being fully understood Constant positivity and thanksgiving Too good to be true Come discover that this kind of marriage is within your reach **Making Christianity Manly Again** Jennifer McKinney, 2023 Mark Driscoll built Mars Hill Church into one of the fastest growing most innovative and most influential churches in the country The ever colorful Driscoll crafted a hypermasculine theology redefining Jesus from a hippie in a dress to Warrior Victor and King While Driscoll's church spectacularly imploded his hypermasculine theology is foundational to understanding evangelical support for politicians like Donald Trump and the rise of Christian nationalism **Bitter Texas Honey** Ashley Whitaker, 2025-04-15 The Royal Tenenbaums meets *Fleabag* in this hilarious and dizzyingly smart debut about an over the top evangelical Texan family and the daughter at its center racing to finish her very important novel before her ex boyfriend finishes his It's 2011 and twenty three year old Joan West is not like the rest of her liberal peers in Austin nor is she quite like her Tea Party Republican God loving family Sure she listens to conservative talk radio on her way to and from her internship at the Capitol But she was once an America hating leftist who kissed girls at parties refused to shave and had plenty of emotionless sex with jazz school friends that is until a drug induced mania forced her to return to her senses But above all Joan is a writer an artist or at least she desperately wants to be Always in search of inspiration for her novel she catalogs every detail of her relationships with men including with her former muse slash current arch nemesis Roberto and mines her very dysfunctional family for material But when her beloved credit card debt racked cousin Wyatt finds himself in crisis Joan's worldview is cracked open and everything comes crashing down Funny whip smart and often tender *Bitter Texas Honey* introduces us to the unforgettable
