nothing but scorn and envy They were both bitter hormonal teenagers 18 and angry at the world Since he was little Billy had led a carefree happy life Billy's mother Amy Robertson was an attractive woman in her mid 30s who loved her son very dearly and walked him to school every morning It was this kind of smothering which led Billy to have quite a sheltered and wimpy personality which Liam and Felix loathed him for They had always been bullies and fish like Billy were easy pickings to use to feed their feed their ego as well as give them cheap thrills 04 Locker Room Gangbang One minute I was sitting alone in the locker room the next I was surrounded by five guys I had no idea what was happening but I was defiantly scared What's your name One of them asked Eric I responded my voice shaking a little Well Eric here's the deal my name is Mike and my buddies and I couldn't help but watch you while you were taking a shower and you got such a pretty little body we just wanted to come over and say hi 05 Comforting My Neighbor's Daughter Seen 1 It was four months ago when my new neighbors moved in I was used to the neighboring house being empty since the previous occupants had moved out a few months earlier which was no big loss because I never got on with them That family seemed to think I was to blame for my wife leaving me despite everyone else knowing it was my wife who had the affair and had left me So it was good to have an empty house next to mine but even better when the new neighbors moved in 06 Comforting My Neighbor's Daughter Seen 2 Following my encounter with Cindy I had a busy few days and even though I work from home I didn't get to see her I had to make do with some vivid dreams where I repeated the energetic performance with Cindy but I wasn't sure whether I would get the chance to repeat the episode in real life 07 Comforting My Neighbor's Daughter Seen 3 Later that same day I knocked on my neighbors door clutching a bottle of wine and some freshly purchased flowers It was early evening and I had come round to visit Debbie as we had agreed earlier but I wondered what was in store for tonight I understandably felt like a fraud considering my recent affairs with Debbie's eighteen year old daughter It was especially awkward because it was only this morning that I had been enthusiastically sucked off by Debbie's beautiful and sexy daughter And that was why I was feeling apprehensive about visiting my neighbor for dinner 08 My Mom's Disgusting Boyfriend My mother introduced me to her boyfriend Samuel for the first time when I was 18 years old It was the beginning of my senior year in high school and I was pretty innocent in many ways Even though I had started to date by that time and even had tried sex once or twice I was a pretty teenager Mom and I had been alone since my father died when I was 9 and since then she hadn't dated much Actually I don't remember her dating at all until Samuel came along I'm certain that she grieved for my dad for way too long which explains my extreme happiness when my mom came home from work one day and informed me that she had met a new man 09 Accidental Gangbang It seemed like a good idea at the time which is what I told my fianc four hours later The wedding was in two weeks on December 30th a strange date I agree but with lots of family coming from great distances it was the best choice plus leaving all the snow behind for Hawaii was a great honeymoon choice I had no doubt become bridezilla with all the problems and complications thrown at me the past month I won't get into the details but that old Murphy adage
