Wild Marauders Mc Lynch English Edition:

Ruthless Tory Richards, 2017-12-27 I grabbed Ginger by the hand and pulled her out of the room down the hall and to the bathroom Her resistance was futile her fear unimportant I knew what I had to do and if she were smart she d realize it too If she wanted to live I opened the bathroom door and yanked her inside thankful that I found it empty It was filthy but better than nothing and it had a shower that everyone used when they felt the need to be clean which wasn t often Ginger spun around when I shut the door the look of a trapped animal in her pretty blues I ignored her growing terror steeling myself for what I had to do Even behind closed doors I had to make it real had to be convincing that I was an unfeeling bastard I saw her swallow could see her tits rising and falling rapidly as the fear of the unknown overwhelmed her She was expecting the worst preparing herself to do whatever she had to do to survive Take off your clothes I kept my tone harsh indifferent to her growing panic She shook her head vigorously and stepped back slamming hard against the cracked porcelain sink A nervous cry escaped her and her eyes were wild as she took in her surroundings and realized that there was no escape Her gaze touched on the door behind me before meeting my eyes Please Take off your f king clothes I said in an uncaring demanding tone You re filthy and not in a way that gets me hard Now undress I removed my cut and the t shirt beneath it In fact I think I ll join you Her eyes nearly popped out of her head at that If you re not undressed by the time I m out of my clothes you won t like the consequences I kicked off my boots as my hands went to the front of my pants As I d expected she would Ginger s small hands began to unbutton her blouse Slowly she began to expose enticing creamy skin to my wandering eyes I undid my pants She lowered her gaze to the floor and turned around before reluctantly removing the garment I let her have her moment of modesty before I looked into the mirror in front of her Christ I took notice of her perfect tits and rosy tips I lowered my zipper the sound of it overloud in the tiny room I could tell that she knew what I was doing by the stiffening of her backside but she didn t let it stop her from removing her jeans As I kicked mine away hers hit the floor I hissed taking in the mouth watering curves of her shapely ass F king hell I hadn t expected the surge of lust that was heating my blood at an alarming rate The sound of harsh breathing filled the room and it took a minute before I realized that it was mine Turn around I demanded sharply I kept the smile to myself when I watched her bring her long hair forward knowing that she was trying to use it to shield as much of her nudity as she could from me She d all but succeeded When she turned her tits were hidden behind the thick layers of her hair and her hands were shielding her sex from me Come here Ginger She padded toward me slowly I was glad that she was acting sensible It would make my job a helluva lot easier and besides I didn t want to hurt her When she was within inches of me she halted her gaze still lowered to the floor Look at me I moved her hair back behind her Her worried frightened eyes locked onto mine and I steeled myself from softening towards her This is going to happen Ginger You and I both know that Wildman will kill us both if it doesn t and that s after every one of his brothers has a go at you I hesitated giving her time to digest that You want that to happen She shook her head a lone

of hair a man could grab a hold of when pounding into her from behind Fuck me Not a vision that I wanted right then Let me go asshole I had a feeling that her hysterical command was the result of my hard cock Unless she was dead from the waist down she had to feel it against her ass I was harder than a steel rod from her movements and I d always liked a woman that looked like a woman with curves I could sink myself into Another thing affecting my libido was the way she smelled clean and fresh I was used to the smell of cigarettes booze and sex on the whores that I slept with Take your filthy hands off me That did it She needed to be taught a fucking lesson There was an old broken down jeep nearby and I threw her up against it pushing her there with my body Ignoring her gasp of pain I fisted a hand in her long hair and jerked her head back roughly enough so that our eyes could meet **Bull** Tory Richards,2021-01-29 Book 5 Desert Rebels MC Series Bull plays as hard as he works in the MC and he likes his life just the way it is No commitments and a different woman in his bed every night But a sweet little nurse catches his attention and before he knows it he s dealing with more than just trouble in the club **Wild Marauders MC** Tory Richards,2020-05-02 When a prospect kidnaps Kat thinking that she s a doctor she finds herself under the protection of the club president Their attraction is instant and hot and it isn t long before they re burning up the sheets But when she steals his Harley to escape Lynch has no choice but to follow club rules and deal out punishment Tempers erupt passions explode and punishment becomes the sweetest ecstasy *New York Magazine* ,1987-10-05 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *New York* ,1987 *Pure-bred Dogs, American Kennel Gazette* ,1980 **Paperbound Books in Print** ,1957 [Bibliography of American Imprints to 1901: Date index](#) ,1993 *National Library Service Cumulative Book Review Index, 1905-1974: Titles.
