Wild About You:

Wild About You Sophie Loxton, 2025-05-08 I couldn't put this book down and when I finished I felt bereft that I had to leave. The perfect comfort read. *Wild About You* is a gorgeous uplifting hug of a book. Laura Wood. She's had enough of saying yes. But what if someone drives her wild enough to change her mind? Anna Whitlock is done being nice. After a lifetime of saying yes to everything, work deadlines, sponsored runs, impromptu drinks, and especially her fiancé Sean, everything Anna has worked so hard for falls apart in one terrible afternoon. With a broken heart, she heads to the countryside to start again. The glorious Stonemore Estate in the wilderness of Northumberland holds more than enough distraction for a city girl. There's Callum, the gorgeous estate manager, and an enthusiastic beagle called Hugo. And then there's Jamie, Stonemore's sexy but emotionally unavailable owner who seems to be hell-bent on making Anna's rewilding job as difficult as possible. But when romance with Callum begins to flourish, is her newfound resolve to stop people-pleasing about to falter? And why can't she stop thinking about Jamie? Can she really start to put herself first and let herself say yes to the thing which will make her happiest: falling truly, madly, wildly in love.

Wild About You Kaitlyn Hill, 2024-05-21 Two total opposites. One race through the Great Outdoors. In this grumpy sunshine teen romance from the author of *Love from Scratch* and *Not Here to Stay*, Friends the trail to true love doesn't always come with a map. Natalie Hart has always been loud, unfiltered, and unapologetically herself. But then comes her freshman year of college when she loses her merit scholarship and gains one pesky little anxiety diagnosis. Hesitant to take out more student loans, Natalie decides to shoot her shot and applies to *Wild Adventures*, a popular outdoorsy reality show. Sure, Natalie prefers her twelve-step skincare routine to roughing it on the Appalachian Trail while competing in challenges against other college kids, but that scholarship prize money is calling her name. High risk, high reward, right? Enter Finn Markum, her randomly assigned capital O Outdoorsy teammate whose growl could rival a black bear. These partners have more friction than a pair of new hiking boots. Or is it flirtation? Turns out falling in love might be the wildest adventure of all.

Wild About Harry Lynne Barrett-Lee, 2014-05-05 Headteacher Holly Connors is pinching herself. Dream job, dream life, and the dreamiest fiancé, her wedding to whom is mere months away. But dreamers often find themselves rudely awakened, and Holly is by no means a tousel-haired pupil. Harry Meadows, who's been going off the rails since his mum died, Holly knows he's hurting, and she knows about loss, so before she can say the words professional detachment, she's made a ten-year-old's happiness her number one priority, despite knowing it will disturb a few ghosts of her own. It's easier to understand the child if you look at the parent, and Harry's dad, Will, seems more feckless than most. He's grieving too, if he'd only admit it, but seems determined to deal with his loss by himself. Mostly, it seems, by disappearing off to work, leaving Harry with a string of au pairs. Despite Will's insistence that it's none of her business, Holly's sense of responsibility towards Harry means that she can't just walk away. But when professional detachment turns into emotional investment, Holly begins to worry: is this just about Harry, or should she be taking a closer look at herself?
