mountain Virginia divided bitterly on key issues It was the world of Jefferson Davis John C Calhoun Andrew Jackson and Thomas Jefferson and also of Gullah Jack Nat Turner and Frederick Douglass Now in the first volume of his long awaited monumental study of the South s road to disunion historian William Freehling offers a sweeping political and social history of the antebellum South from 1776 to 1854 All the dramatic events leading to secession are here the Missouri Compromise the Nullification Controversy the Gag Rule the Pearl Harbor of the slavery controversy the Annexation of Texas the Compromise of 1850 and the Kansas Nebraska Act Freehling vividly recounts each crisis illuminating complex issues and sketching colorful portraits of major figures Along the way he reveals the surprising extent to which slavery influenced national politics before 1850 and he provides important reinterpretations of American republicanism Jeffersonian states rights Jacksonian democracy and the causes of the American Civil War But for all Freehling s brilliant insight into American antebellum politics Secessionists at Bay is at bottom the saga of the rich social tapestry of the pre war South He takes us to old Charleston Natchez and Nashville to the big house of a typical plantation and we feel anew the tensions between the slaveowner and his family the poor whites and the planters the established South and the newer South and especially between the slave and his master Cuffee and Massa Freehling brings the Old South back to life in all its color cruelty and diversity It is a memorable portrait certain to be a key analysis of this crucial era in American history
