British animals extinct within historic times; with some account of British wild white cattle James Edmund Harting, 1880 Kiss It Better Virna DePaul, 2019-06-07 She finds a wallet not a shoe and he's a billionaire not a prince but this time Cinderella's turning the tables Julia Handing out samples at a grocery store isn't exactly my dream job Yet here I am tray in hand and fake smile plastered on my face The one highlight is seeing HIM I don't know his name but if I did I'd scream it during the naughty dreams he inspires He's crazy handsome all confidence and an air of power He's never said a word to me Never even looked in my direction Then one day he stops to talk to me then literally falls at my feet I take care of him until the EMTs whisk him away Now I have his wallet I know where Bastian Rich lives And I've found the

nude photos of him online It's not the bruschetta on her tray he really wants to taste Bastian Something about Julia Rominger has me intrigued and more than a little aroused Maybe it's her lush curves driving me wild Or the fact that she has no problem telling me to go to hell Either way she's seen me at my worst Now it's time to show her my best The best ways to touch her The best ways to kiss her The best ways to drive her crazy And finally the best ways to make her mine Because I won't stop until that's exactly what she is This book was previously released with the title Mr Rich and has since been updated A sexy rollercoaster ride With passion and conflict Virna DePaul created an entertaining story with strong characters Harlequin Junkie One of those books that make you sigh while reading it With characters that you can relate to and a plotline that will make you laugh and cry the perfect book to read if you are laying out by the pool or on the beach Life of a Crazy Mom Full of that standard sass that Ms DePaul has no qualms about doling out Rock Review Team Virna DePaul does smart and sexy like no one else She brings the heat the banter and the swoon New York Times bestselling author Tracy Wolff
