Wild Life Adventures On An African Farm:

Wild Life Aidan Hartley, 2009-09-29 Five years ago after the senseless murder of his closest friend in Nairobi Aidan Hartley packed up his bags and headed for the hills with his wife and young daughter They bought a vast tract of dry land in Laikipia in Northern Kenya with no fences no phones and no company other than the errant witchdoctor who cursed the dust of Aidan's footsteps But it wasn't long before Aidan discovered that his patch of wilderness was full of life not just the farmhands spending their wages on drink weddings and funerals but a whole procession of curious people who wanted something or felt they needed to investigate As Aidan and Claire struggled to build a farm from scratch they had run ins with leopards and elephants and with their new neighbors Aidan grew up on a farm in Tanzania and thought he had farming in his blood but nothing prepared him for how hard life would be But with the help of the locals the farm developed and all three of the family proved to have far more to learn from their neighbours than they had expected *Wild Life* story is a remarkable book by turns heartbreaking and wonderfully funny

Our Wild Farming Life Lynn Cassells, Sandra Baer, 2023-03-10 As seen on the BBC's *This Farming Life* The inspirational story of Lynbreck Croft a regenerative Scottish farm rooted in local food community and the dreams of two women Lynn and Sandra left their friends family and jobs in England to travel north to Scotland to find a bit of land that they could call their own They had in mind keeping a few chickens a kitchen garden and renting out some camping space instead they fell in love with Lynbreck Croft 150 acres of opportunity and beauty shrouded by the Cairngorms and deep in the Highlands of Scotland But they had no money no plan and no experience in farming In *Our Wild Farming Life* Lynn and Sandra recount their experiences as they work out what kind of farmers they want to be learning how to work with Highland cattle become part of the crofting community and understand how they can farm with nature to produce food for themselves and the people around them Through their journey to becoming farmers as *The Guardian* recently wrote it's clear that nature and the health of the environment plays a central role in everything they do from planting 17 500 native broadleaf trees for wood pasture to setting aside 22 hectares for rewilding And through efforts like these Lynn and Sandra have been able to combine regenerative farming practices with old crofting traditions to keep their own personal values intact *Our Wild Farming Life* is what happens when you follow your dreams of living on the land a story of how two people became farmers and how they learned to make a living from it their way

African Adventures and Misadventures William York, 2003-01-01 Bill York who recently passed away once said Most guiding for big game is pretty unadventuresome work However when there is excitement it comes in spades and Bill York had his share of unusual encounters From his early days in Kenya when he and a companion trekked alone through the desert of the NFD and had to fend off marauding lions that ate his caravan ponies to encountering a Mau Mau terrorist who took potshots at his victims with a stolen elephant gun York gives an entertaining account of his life York was there when the RAF bombed the rain forest to rid Kenya of the dreaded Mau Mau and he explains how the bombing went awry very few Mau Mau were killed but plenty

of wounded and dangerously short tempered buffalo were left to wreck havoc in the countryside He gives an insider s view to the funny and outrageous behavior of some his famous acquaintances Eric Rundgren Ken Dawson Frank Broadbent and Iodine Ionides PH Eric Rundgren for example was so interested in getting himself good elephant tusks that he would scout out the best tuskers for himself and guide his clients to less desirable trophies There are stories about how York found a cache of rhino and elephant ivory that J A Hunter had stashed before his death and how John Boyes managed to exasperate British authorities with his dastardly deeds There is an entire chapter on hunting giant forest hogs because Bill York spent a lot of time in their habitat and there are encounters and adventures with crop raiding elephant and ghost buffalo that could be seen but not killed Then there is the story of a client who was so huge that York was not sure he could get the man a single trophy As with York s previous book the pages are loaded with interesting anecdotes fascinating tales and well written prose that give insight into East Africa and its more famous characters Geography University of Illinois

Savages and Beasts Nigel Rothfels,2025-03-04 Now completely revised A history of the modern zoo In this revised edition of *Savages and Beasts* Nigel Rothfels traces the origins of the modern zoo to the efforts of the German entrepreneur Carl Hagenbeck the most successful dealer in exotic animals in the nineteenth century Building from his core business in animals Hagenbeck eventually became even more famous for his large ethnographic exhibitions and circus ventures When Hagenbeck opened his Animal Park near Hamburg Germany in 1907 he brought together all his business interests in a revolutionary zoological park He moved wild animals out of their cages and into natural landscapes and in the process invented a new way of imagining captivity Through the use of theatrical scenery the animals and people performing in his ethnographic exhibitions appeared to be living in their native lands This revised edition addresses ethical concerns about the representation of indigenous peoples and animals and includes a host of new images and photographs By examining Hagenbeck s enterprises *Savages and Beasts* demonstrates how ideas about the role of zoos and the nature of animal captivity developed in the late nineteenth century Rothfels provides a much needed historical perspective on the connections

between the development of modern zoos and their colonial histories *Bulletin of the Salem Public Library* Salem Public
