Writings of David Thompson , Mapping the Wilderness The Story of David Thompson , 1996 David Thompson's story is one of the great tales of North American adventure His life was a mixture of truth and legend but he was without a doubt one of the greatest surveyors and mapmakers of the North American continent Raised in a charity school in London England and apprenticed to the Hudson's Bay Company as a teenager he then travelled extensively recording valuable navigational information His life was one of adventure and hardship but also of incredible accomplishment **The British National Bibliography** Arthur James Wells, 2009 **Forthcoming Books** Rose Arny, 2003-04 **Historic Hikes in Eastern Banff National Park** Emerson Sanford, Janice Sanford Beck, 2008 Armchair travellers are guided on a modern adventure along the trails of the mountain towns of Banff and Lake Louise and journey from the Kootenay Plains to Lake Minnewanka **The Bethlehem Story** Andy McCullough, 2021-04-14 Jesus was born in Bethlehem but why Bethlehem Why should God purpose to become man somewhere so marginal so insignificant This book follows the unfolding story of Bethlehem through the Bible from the death of Rachel to the birth of Jesus uniquely combining four perspectives a the Bible as one developing story b the Bible as a Middle Eastern book c insights from contemporary Palestinians from Bethlehem and d what this means for mission Suffering Rachel refugee Rahab vulnerable Ruth overlooked David all have a connection with Bethlehem If Bethlehem shelters refugees then so must we If Bethlehem welcomes strangers so must we If Bethlehem weeps at injustice and takes a stand

against empire so must we What we see in Bethlehem s story we apply to our own stories We enter into Bethlehem s story with as much cultural and geographical colour and flavour as we can muster in order to feel the crises taste the dust hear the lambs bleating on the hillside And there we find the Christ child son of David the Good Shepherd Lion of Judah Bread of Life Lamb of God fulfilling all the recurring themes taking his inevitable place as rightful king *What Do I Read Next?*, 2001

The Last Wilderness Peter Browning, 1989 North of the sixtieth parallel east of Great Slave Lake and west of Hudson Bay is a vast sweep of pure unspoiled land It is the least accessible region in North America a wilderness that has been seen by few and traversed by fewer still and is inhabited by no one There is only the land carved and molded by the glaciers scoured boulders ridges and low hills of white sand the sparkling waters of myriad lakes In 1964 Peter Browning and John Blunt went by canoe from northern Saskatchewan to the village of Snowdrift on Great Slave Lake They started in early June and traveled 600 miles on lakes and rivers and across agonizing portages through a land devoid of other people They saw no one else for 74 days During their long journey they suffered storms hordes of insects exhausting labor and hunger They were rewarded by being totally independent amidst the beauty and serenity of the last great wilderness in North America Included in this modern odyssey are 59 striking photographs of the virgin lakes and forests and tundra of the Northwest Territories back cover
